Agenda Item Report

This evening, the City Council is asked to adopt a resolution (1) approving the Engineer's Report, (2) declaring the City Council's intention to levy and collect assessments for the upcoming fiscal year; and (3) setting the time and place for the public hearing as required by Culver City Municipal Code (CCMC) Section 15.01.070.

Should the City Council adopt the proposed resolution, pursuant to Section 15.01.070.G of the CCMC, the City Clerk shall give notice of the public hearing by causing the Resolution of Intention to be published at least 10 days prior to the date of the hearing. The public hearing is scheduled for July 23, 2012.

This item was initially considered and approved by the City Council on June 11, 2012. Unfortunately, the notice provided that the public hearing would be held in the City Council Chambers. To accommodate the third of five community dialogues on the state of the City's finances, the City Council meeting of June 25, 2012 was held in the Rotunda Room at the Veterans' Memorial Building. To ensure adequate and proper notice is provided, staff recommends the City Council consider this re-agendized item. If approved, notice will be provided for the public hearing to be held on July 23, 2012 at 7:00 PM in the City Council Chambers.
