S. Department of Housing and Urban Development (HUD). This act set forth a new direction for public housing authorities across the country. FSS is a voluntary program designed to enable families receiving Section 8 Housing Choice Voucher Program (HCV) rental assistance to become economically independent from all forms of public assistance within a five (5) year time frame. As part of the goal of achieving economic independence, FSS carries a financial incentive in the form of the establishment of an escrow account which the family receives upon their graduation from the program.

DISCUSSION:

Family Self Sufficiency Coordinator Grant

The purpose of this grant application is to fund a FSS Program Coordinator, who oversees the case management and supportive services coordination for FSS Program participants. The Culver City Housing Authority (CCHA) is committed to providing programs and progressive options for empowering and improving the lives of those we serve. Based on this premise, staff recommends the Authority Board approve submission of the FSS Coordinator Grant application for \$69,000.00 to HUD to support the efforts of FSS.

Through the annual Notice of Funding Availability (NOFA), HUD provides funding to public housing agencies (PHAs) that are operating Section 8 HCV FSS programs to enable those PHAs to employ program coordinators to support their Section 8 HCV FSS programs. For 2013, this NOFA announces the availability of approximately \$75 million nationwide. A funding maximum of \$69,000 is available for each full-time FSS coordinator position.

It is anticipated that award announcements will take place by September 30, 2014. Successful applicants will receive an award letter from HUD.

Responsibilities of FSS Coordinator

The FSS Program Coordinator is responsible for the following activities:

- Conducting intake interviews.
- Assessing the skills, abilities, needs, and resources of families.
- Identifying realistic goals and developing tasks and milestones to accomplish goals.
- Identifying and coordinating resources and services needed by the family.
- Monitoring and documenting the family's progress toward goals in the client's contract.
- Coordinating/conducting recruitment of FSS participants
- Organizing economic-enrichment seminars such as preparing for homeownership, consumer credit counseling, and job interview skills.
- Conducting a survey to determine the program success.

- There are currently twenty (20) households enrolled in the FSS Program.
- A total of sixteen (16) have graduated from the FSS program.

Agenda Item Report

Since 1999, the CCHA has applied for and been awarded funding by HUD for the FSS program. These funds have totaled approximately \$686,314.00. In 2013, the CCHA was awarded \$65,100.00.

Through the submission of this grant application to HUD, the CCHA hopes to be awarded approximately \$69,000.00 for 2014 FSS activities. This amount covers one (1) full time position as an FSS Coordinator. On May 28, 2013 the Authority Board approved a 3 year contract with St. Joseph's Center (SJC) to function as the FSS Coordinator. If awarded, the 2014 FSS grant will be earmarked to support the continuation of the contract with SJC upon Authority Board approval.

FISCAL ANALYSIS:

If awarded by HUD, the CCHA will secure \$69,000.00 in funding to support one (1) full time position to administer the FSS Program.
