### Notes

- Culver City restricts massage establishments to operating between 8 am and 10 pm.
- Culver City only permits mechanical or construction noise which might affect a residential neighborhood between 8 am and 8 pm.
- Noise caused by a business that disturbs nearby residents is addressed by Municipal Code Section 9.04.015(H)4. This section does not necessarily make a business close or change its hours of operation if it takes steps to alleviate the noise disturbance.
