Item C-4

(Out of Sequence)

Approval of Agreements to Provide Real Estate Marketing and Sale Services with 1) Keller-Williams for the City Owned Property Located at 11304 Segrell Way; and 2) Cavanaugh Realtors for the City Owned Property Located at 10745 Cranks Road

Mayor Cooper invited public participation.

The following members of the audience addressed the City Council:

Dar Lang-Lois expressed concern with issues related to the fire station #3 on Segrell Way being demolished.

Todd Tipton, Economic Development Administrator, clarified that the item was to approve an agreement with real estate brokers to sell the property; he discussed the process; communication with the surrounding area; and zoning.

Discussion ensued between staff and Councilmembers regarding use of the property; accommodations for the common wall; re-use of the existing fire station building; zoning; concerns of the neighborhood; including the residents in the process; and whether the property could be used for anything other than an R-1 project.

Tad Lang-Lois discussed the history of the property; he expressed support for three single-family residences at that location; he did not want to see Section 8 Housing or apartments on the site; he noted that his mother wished that the firehouse would return; and he suggested that Segrell Way be made into a cul de sac.

THAT THE CITY COUNCIL:

1. APPROVE AGREEMENTS WITH I) KELLER-WILLIAMS TO MARKET AND SELL THE CITY OWNED PROPERTY LOCATED AT 11304 SEGRELL WAY; AND, II) CAVANAUGH REALTORS TO MARKET AND SELL THE CITY OWNED PROPERTY LOCATED AT 10745 CRANKS ROAD; AND,

Item C-8
(Out of Sequence)

Adoption of a Resolution (1) Establishing Parking Meter Fees (Including a New Parking Meter Rate of \$0.25 Per Hour at 10-Hour Time-Limited Parking Meters Citywide), the Time Period Covered by Such Fees, the Time of Operation for the Parking Meter Locations, and (2) Rescinding Resolution Number 2012-R011

Mayor Cooper invited public participation.

The following member of the audience addressed the City Council:

Cary Anderson expressed support for the item and requested that the employees in the downtown area pay \$2.00 for eight hours

of parking ; he felt subsidizing parking rates in downtown would complement the permit parking in the neighborhoods; he discussed staff status quo; sunseting of parking restrictions; resolutions; parking turnover; and employee parking in neighborhoods.

Discussion ensued between staff and Councilmembers regarding going back to 11:00 p.m. parking in downtown; the existing resolution; subsequent action after the resolution; existing time limits; resolving downtown parking structure issues with the state; consistency with signage, the resolution and enforcement; The Walker Parking Study; clarity for members of the public; changes to the language on Section 1 on page 480; the item being considered; previous action on the item; expiration of the time limit; taking action to change the time back; and agreement to change wording.

THAT THE CITY COUNCIL: ADOPT A RESOLUTION ESTABLISHING PARKING METER FEES (INCLUDING A NEW PARKING METER RATE OF \$0.25 PER HOUR AT 10-HOUR TIME-LIMITED PARKING METERS CITYWIDE), THE TIME PERIOD COVERED BY SUCH FEES, THE TIME OF OPERATION FOR THE PARKING METER LOCATIONS, AND RESCINDING RESOLUTION NO. 2012-R011 AS AMENDED TO REFLECT THE ENFORCEMENT PERIOD OF 8:00 AM TO 6:00 PM MONDAY THROUGH SATURDAY, EXCEPT SUNDAYS AND HOLIDAYS AS INDICATED BY POSTED SIGNS OR ON THE METER FACE.

MOVED BY COUNCILMEMBER WEISSMAN AND SECONDED BY COUNCILMEMBER O'LEARY THAT THE CITY COUNCIL APPROVE ITEMS C-4 AND C-8. THE MOTION CARRIED BY THE FOLLOWING VOTE:

o0o

Joint Public Comment - Items Not on the Agenda

(Continued)

Mayor Cooper invited public comment.

The following member of the audience addressed the City Council:

Bill Maxwell questioned who had jurisdiction over Hetzler Road and he expressed concern regarding traffic by the Overlook and frustration with the lack of enforcement to ensure that pedestrians adhere to signs requiring them to walk on the walkway.

Charles Herbertson, Public Works Director/City Engineer, reported that Hetzler Road is not a Culver City roadway, but rather is a private road with an easement for the park; he indicated that the City was working with the Baldwin Hills Conservancy to build a pathway adjacent to the road to allow the state parks to enforce pedestrians walking on the walkway; he clarified that Culver City had no jurisdiction over the area and that the Park Ranger handled enforcement; and he suggested that the Police Department be queried as to their jurisdiction in the matter.

o0o

Order of the Agenda

Mayor Cooper indicated that due to the number of public speakers, Item A-4 would be taken out of order.

o0o

Action Items

Item A-4
(Out of Sequence)

(1) Adoption of a Resolution (a) Establishing Specific Locations for the Installation of Parking Meters Within the City's Parking Meter Zones (Including New Meters on Jefferson Boulevard, Between Overland Avenue and the Easterly City Boundary and at 8520 National Boulevard), and (b) Rescinding Resolution Number 2011-R012; (2) Direction to the Public Works Director/City Engineer to Install Parking Meters in Such Locations; (3) Approval of an Agreement Authorizing the Purchase of 425 New Parking Meter Housings and Four New Multi-Space Parking Meter Stations for Such Locations from Duncan Parking Technologies, Inc.; (4)

Approve an Agreement with IPS for the Purchase of 100 Additional New Technology Parking Meters; and (5) Approve an Agreement with James Oh Construction for the Installation of the Parking Meter Posts

Gabe Garcia, Traffic Engineering Manager, summarized emails received since the posting of the agenda; noted that it was not the intention of staff that residents would have to pay to park at a meter; he clarified that Jefferson Boulevard is an arterial street and not considered to be residential; he proposed that parking meter consideration be continued along with a residential parking meter permit to be considered at a later date; and he summarized the material of record.

Discussion ensued between staff and Councilmembers regarding the reason for enforcement on Raintree when there is no metering after 6:00 p.m. or on weekends; delaying consideration of the issue until the residential parking permit program can be clarified; employee parking in the area; the need for parking meters; exempting residents and visitors from paying at the meter; and costs involved.

Mayor Cooper invited public input.

The following members of the audience addressed the City Council:

Sheri Penney, Raintree Condo Association, described the Association, expressed opposition to the meters and noted that Councilmember Clarke is a resident of Raintree.

Rocio Jiminez expressed opposition to the installation of meters and to smart cards.

Stuart Smith, Tara Hill Homeowners, expressed opposition to the installation of parking meters and thanked staff for having a compromise ready but indicated that it would not work for them.

Angie Kirk expressed opposition to the installation of parking meters; noted that businesses across the street had been good neighbors; discussed who parks in the parking spaces; the view of Culver City as a residentially friendly City; her decision to buy her condo; pride in ownership; and she asserted that the area was clearly residential.

ChaCha Gonzalez asserted that if meters were installed that she would be displaced and she expressed opposition to the installation of meters.

Linda Bartlett, Tara Hill Homeowners Association, expressed opposition to the installation of meters and she suggested that existing meters be taken out.

Matt Norcia, Tara Hills Homeowners Association, expressed opposition to the installation of meters; concern with guest parking; concern with a potential drop in property values; and opposition to the suggestion to use smart cards.

Muriel Kinchin expressed opposition to the use of smart cards and the installation of meters, and concern with a potential decline in property values.

Erin Kinchin discussed the existing parking meters across the street; street cleaning; and she expressed opposition to the installation of new meters.

Bernadette Dollard expressed opposition to the installation of meters on Jefferson Boulevard; she asserted that Jefferson is a residential street; and she noted that there was no guest parking available in Tara Hill.

Randy Schweisow expressed opposition to the installation of meters on Jefferson Boulevard; appreciation to those who came out to speak on the item; opposition to the proposed smart card; and concern with increased traffic due to drivers circling the area looking for parking.

Marcy Sookne expressed opposition to the installation of parking meters and the smart card; she discussed the Baldwin Hills Scenic Overlook; parking in Lindbergh Park; employee parking; the existing meters; and she expressed concern with guest parking.

Randy Arizmendiz echoed previous comments opposing the installation of meters on Jefferson.

Eric Nelson expressed opposition to the installation of meters on Jefferson Boulevard and to the smart cards; he echoed concerns regarding parking in Lindbergh Park; he discussed visitor parking; and he requested equal treatment for everyone.

Suzanne Nelson reported serving on the Board of Tara Hill and she expressed opposition to the installation of meters and to smart cards.

Debbie Wallace expressed opposition to the installation of parking meters.

Cary Anderson discussed residential permit parking; intrusion parking from employees; different groups of people that park in the area; and he suggested that residential permit parking be enforced.

Arthur Kassan, Raintree Townhouse Association, indicated that he was speaking on behalf of the Association; expressed opposition to the item; concern with the lack of public outreach or access to information on the item and with metered parking adjacent to residential development; he discussed City Council policy direction; the rationale for installation; on-site parking supplies; guest parking spaces; residential vs. business use; and he asked that the City work with residents to come up with a plan to serve City goals without negatively impacting the residential community.

Paul Jacobs, Raintree Townhouse Association, discussed parking for Raintree; the staff report; the recommendation to install parking meters based on the erroneous assumption that adequate parking exists for Raintree; City Council policy; installation of parking meters on residential frontage; and the plan to negate the parking meters.

Jeremy Green, Management Analyst, read comments into the record submitted by:

Genaro Curiel
Marvin Ridgeley
Kyle T. Heffner
Shirley Jaffe
Lewis Aaronson
Jay Messick
Stephen Young

Discussion ensued between staff and Councilmembers regarding the public process; the need for parking in the area; the Hetzler Road area; support for eliminating the Jefferson portion of the meters; opposition to the smart card idea; support for the public input received; the need to recognize

Jefferson as a residential corridor; background on the item; concerns with safe pedestrian crossing; competition for non-metered parking; efforts to reduce the amount traffic generated by cars trying to find parking; finding other ways to eliminate existing problems; the Baldwin Hills Scenic Overlook; concern with creating a domino effect by placing meters by the Overlook; concern that benefits to metered parking would not be worth the issues created by their installation; previous City Council direction; residential corridors; the commercial/industrial character of the corridor east of Raintree through the Baldwin Hills Scenic Overlook; existing problems; traffic conflicts; pedestrian related issues; promoting parking turnover; making the area more available; and a request for meters by business owners on National Boulevard in front of Media Temple.

MOVED BY COUNCILMEMBER O'LEARY AND SECONDED BY COUNCILMEMBER WEISSMAN THAT THE CITY COUNCIL:

1. ADOPT A RESOLUTION (A) ESTABLISHING SPECIFIC LOCATIONS FOR THE INSTALLATION OF PARKING METERS WITHIN THE CITY'S PARKING METER ZONES (INCLUDING NEW METERS ON JEFFERSON BOULEVARD, BETWEEN EAST OF RAINTREE TO HETZLER ROAD AND AT 8520 NATIONAL BOULEVARD), (B) DIRECTING THE PUBLIC WORKS DIRECTOR/CITY ENGINEER TO INSTALL PARKING METERS IN SUCH LOCATIONS, AND (C) RESCINDING RESOLUTION NO. 2011-R012; AND,
2. APPROVE AN AGREEMENT FOR THE PURCHASE FROM IPS GROUP, INC. OF 100 NEW TECHNOLOGY PARKING METERS, SETUP AND INSTALLATION, 2500 RECHARGEABLE PARKING CARDS, RECHARGE STATION, SIGNAGE, SPARE PARTS, AND FREIGHT, IN AN AMOUNT NOT TO EXCEED \$86,344.63; AND,
3. APPROVE AN AGREEMENT FOR THE PURCHASE FROM DUNCAN PARKING TECHNOLOGIES, INC., OF A) 4 PAY-BY-SPACE MULTI-SPACE PARKING METER PAY STATIONS, AND RELATED EQUIPMENT, IN AN AMOUNT NOT TO EXCEED \$45,345.76; AND B) 425 NEW PARKING METER HOUSING UNITS, IN AN AMOUNT NOT TO EXCEED \$97,728.75, PLUS SHIPPING,
4. APPROVE AN AGREEMENT WITH JAMES OH CONSTRUCTION, FOR INSTALLATION OF PARKING METER POSTS, IN AN AMOUNT NOT TO EXCEED \$29,998.00; AND,
5. AUTHORIZE THE CITY ATTORNEY TO REVIEW/PREPARE THE NECESSARY DOCUMENTS; AND

6. AUTHORIZE THE CITY MANAGER TO EXECUTE SUCH DOCUMENTS ON BEHALF OF THE CITY. THE MOTION CARRIED BY THE FOLLOWING VOTE:

AYES: COOPER, O'LEARY, WEISSMAN
NOES: SAHLI-WELLS
ABSENT: CLARKE

Vice Mayor Sahli-Wells indicated that she had voted against the item because she did not believe there should be meters at the Baldwin Hills Overlook.

o0o

Item A-3
(Out of Sequence)

Adoption of a Resolution Transmitting to the County of Los Angeles the Official City Response to the June 2013 Initial Study/Mitigated Negative Declaration for the Proposed Stoneview Nature Center Project Located at 5950 Stoneview Drive

Charles Herbertson, Public Works Director, provided a summary of the material of record and he reported on correspondence received.

Mayor Cooper received clarification regarding available free parking.

Mayor Cooper invited public participation.

The following members of the audience addressed the City Council:

Jim Davis discussed his involvement with the purchase of the property for the Baldwin Hills Oversight; he noted concerns about parking meters at the Overlook; discussed the park system; improvements; vehicular impacts to the area; the width of Stoneview Drive; problems with the school; concern with the pipeline; and plans for the pipeline.

Mim Shapiro expressed appreciation to the City Council for their efforts; she discussed Blair Hills Park; changes to the population in the area; the history of the area; and she did not want the City to do anything that would allow more traffic in the neighborhood.

Discussion ensued between staff and Councilmembers regarding impacts to the City; mitigations; comments submitted to Supervisor Mark Ridley Thomas; the Mitigated Negative Declaration; the pipeline; seismic activity; parking issues; Hetzler Road; popularity of the location; the process; appreciation to staff for their diligence; the County; the lack of a traffic study; inadequate parking at the Overlook; comparisons to the previous use; trip generation; preferred alternative site access; next steps for the park; parking calculations; construction issues; and availability of information regarding the pipeline.

MOVED BY COUNCILMEMBER WEISSMAN AND SECONDED BY VICE MAYOR SAHLI- WELLS THAT THE CITY COUNCIL: ADOPT A RESOLUTION TRANSMITTING THE OFFICIAL CITY RESPONSE TO THE JUNE 2013 INITIAL STUDY/MITIGATED NEGATIVE DECLARATION FOR THE PROPOSED STONEVIEW NATURE CENTER PROJECT LOCATED AT 5950 STONEVIEW DRIVE.
