About

Contact Us

CityTV is the government community cable channel for the City of Santa Monica. It is funded, programmed and operated by the City of Santa Monica. The channel is available to every cable television subscriber within the City of Santa Monica and reaches approximately 27,000 households.

CITYTV PROGRAMS FOUR CABLE CHANNELS ON TIME WARNER:

CityTV Channel 16

CityTV's flagship station provides live coverage of public meetings, news, series, live call-in programming and more! To learn more about what's happening in Santa Monica, watch CityTV!

CityTV Channel 20

CityTV2 features replays of public meeting coverage which includes City Council, Planning Commission, Rent Control Board and School Board meetings. So, don't worry if you miss a meeting, it airs many more times on CityTV2!

Channel 75

Community events and community services are featured 24 hours per day on CityTV's graphic bulletin board service.

Experience L.A. Channel 99

If you're looking for something fun or new to do in the Santa Monica and LA area there are many choices! ExperienceLA provides listings of free events, events for the entire family, special events and more! And, watch our latest edition of "Get Out!", CityTV's bi-weekly program about great escapes all here in Southern California! "Get Out!" plays every half-hour on Channel 99.

CityTV is known across the country for its quality programming and its innovative uses of its channel. The channel has been recognized with Emmy awards and been awarded a SCAN NATOA STAR Award as the best channel in the state for 6 of the last 8 years.

Building Bridges
Weekdays at 1:30pm

"Building Bridges" is a half-hour television talk show that shatters stereotypes and promotes an understanding of people who at first glance may appear to be different from us. The program does this by examining the highly personal stories of people who have lived with — and grown beyond — the challenges in their lives. "Building Bridges" is hosted by Wendy Gladney, a talented and charming woman whose own amazing story inspired the program.

City Cinema
Friday and Sunday Evenings at 8pm

Join host Tom Hatten for an evening at the movies featuring some of the great classics from the vault. Tom shares gossip, background and other interesting tid-bits to make watching the film fun!

Coffee Break
Weekdays at 2pm
Saturdays at 6:30pm

Coffee Break features guest experts in the areas of health, lifestyle, finance, travel and entertainment for those who are active and maturing. Hosted by Paula Golden and Robert Klein, Coffee Break is produced in partnership with Saint John's Health Center. A new show airs every week live on Wednesdays at 2pm.

Community Cooking
Weekdays 12:30pm

Community chefs share their kitchen favorites, using fresh produce from the local Farmers Markets. Learn how to cook a wide range of cuisine from different cultures and for different occasions.

Connie Martinson Talks Books
Weekdays at 10am and 3:30pm

Connie Martinson takes you on a journey to not only meet the authors of some of today's best reading, but to give you insight into the inspiration and story behind the stories that are written. With thousands of shows and authors already produced, Connie is a favorite publicity stop for many authors because she asks unique questions based upon actually reading the book!

Conversations with History
In these lively and unedited interviews, distinguished men and

women from all over the world talk about their lives and their work. Interviews span the globe and include discussion of political, economic, military, legal, cultural, and social issues shaping our world.

EarthTalk Today

Weekdays at 11:30am

EarthTalk Today is your environmental television show that is committed to bringing viewers the most accurate, incisive and current information about the environment. Join co-hosts Peter Gwillim Kreidler and Alexandra Paul as they discuss issues about our world with some of the country's top experts and spokespersons on environmental issues.

Down to Earth

Weekdays at 1:30pm

Down to Earth is a gardening and landscaping series geared to the west coast gardener. Horticulturist Tom Piengrossi and his crew bring years of experience to projects ranging from laying flagstone walks to full yard makeovers. And, it's much more fun than reading a how-to book!

Fresh from the Farmers Market

Wednesdays at 1pm

Join host Amelia Saltsman as she prepares dishes using fresh ingredients from your local Farmers Markets. Her cooking partners are local farmers who assist Amelia with transforming fresh produce that they have grown into tasty salads, entrees and desserts. The food is yummy!

Get Out!

Weekdays at 11am, 5pm and 10pm

CityTV's newest series gives you great ideas for getting out and exploring the LA area this week! Community festivals, museum exhibits and other fun things to do are featured in every program. Get inspiration and get out and do something new!

Health Matters

Weekdays at 8:30am

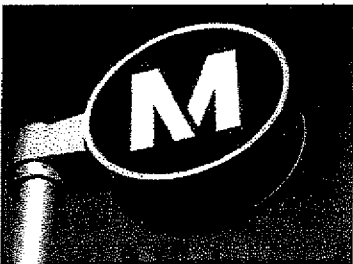

Dr. David Granet, hosts a variety of professionals from the health and medical fields on a broad array of health related topics. Each half hour program provides the viewer with current and valuable information on how to improve ones health and well-being.

**Legal Help Live**

Wednesdays Live at 4pm
 Weekdays at 4pm (replay)
 Fridays at 7pm (replay)
 Sundays at 4pm (replay)

Santa Monica cable television viewers can receive answers to their legal questions on CityTV's call-in program "Legal Help Live". The program airs live on cable channel 16 on Wednesdays from 4 p.m. to 5 p.m.

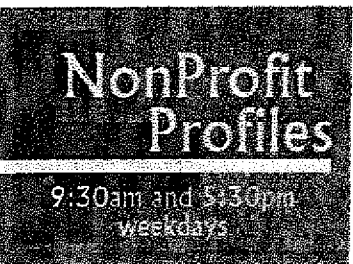

Hosted by Stephen Solomon, Ralph Saltsman and Stephen Jamieson, attorneys from the Law Offices of Solomon, Saltsman and Jamieson, P.C., the program provides practical suggestions to callers as well as provides commentary and updates on current pending litigation of interest to the public.

**L.A. in a Day****Metro Motion**

Monday, Tuesday, Thursday, Friday at 1pm

LA in a Day features adventures that you can have in the Los Angeles area utilizing the Metro public transportation system. From art tours, to workouts to keep in shape or eating places to gain back all you lost, it's all on LA in a Day!

Metro Motion keeps you updated on the latest news, services and upgrades to our local public transportation system.

**NonProfit Profiles**

Weekdays at 9:30am and 5:30pm

Each edition of NonProfit Profiles features a non-profit organization that is providing services to make our community a better place for all of us. Meet the people who are behind these worthy organizations and who are committed to making a difference.

Opera Talk! With Nick Reveles

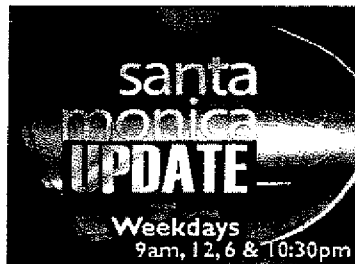

Weekdays at 3pm

Nick Reveles guides viewers through an intriguing history of different operas. Learn about the composers' backgrounds and inspirations, the challenges they faced composing and staging the work, the reactions of audiences and critics, and recommendations for recordings, books and videos.

Sam the Cooking Guy

Weekdays at 1:00 pm

Big in taste, small in effort, Sam the cooking guy teaches you how to cook simple, great-tasting recipes and have fun all at the same time.

**Santa Monica Update**

Weekdays at 9am, 12 noon, 6pm, 10:30pm

Santa Monica's only TV news program is aired daily on CityTV. With news, events, sports coverage, calendar and interviews, Santa Monica Update is your best local TV resource for what's happening in Santa Monica!

See our latest episode of Santa Monica Update!

iTunes required for Podcast. Click here to get it.

Santa Monica Update: November 20, 2007 to December 2, 2007 Edition

iTunes Podcast: November 20 to December 2, 2007 Edition

**Sit and Be Fit**

Daily at 8am

SIT AND BE FIT is a program that provides medically based, safe, and effective exercises that can help improve the quality of life of older adults who are physically limited individuals and those managing chronic conditions.

**Twilight Dance Series**

Nightly at 11pm

<http://www.twilightdance.org/>

The popular Santa Monica summer music series lives every night on CityTV featuring all types of music for every taste. You can almost feel the Pier sway!

**The Vintage Vehicle Show**

Weekends at 10am

If you love cars, particularly old ones, you'll enjoy visits to museums and seeing all types of cars, hot rods, travel trailers, muscle cars, hot rods, custom cars, roadsters and lowriders in this fun series that features not just the vehicles, but the people behind them!

Words That Cook

Weekdays at 10:30am

Words that Cook! Parenting with children's books™ with hosts Monty Haas and Martine Bernard is a half-hour, interview-based program, enabling parents to see the connection between helping their children reach their potential, and the necessity of creating opportunities for reading, writing, and communicating together.

CitiCABLE 3

Cablecast on channel 3, Torrance CitiCABLE, known as CitiCABLE 3, is a public service provided by the City of Torrance's Office of Cable and Community Relations located in the 15,000 square foot Stanley E. Remelmeier Telecommunications Center. CitiCABLE 3 has provided quality local programming for the community of Torrance since 1983.

Seen on the Time Warner Cable System, CitiCABLE 3 is available to every subscriber as part of their basic cable television monthly subscription fee. The potential cable television viewing audience is comprised of over 36,000 households in City of Torrance. Programming is cablecast on Channel 3 year-round, 7 days a week, and 24 hours a day. The channel is simulcast on the internet at www.tornet.com. Council meetings as well as other CitiCABLE shows are archived on-line for viewing on-demand.

CitiCABLE was as a "government access" channel for regular coverage of public meetings; however, Torrance CitiCABLE has become much more to the City and the larger community. Viewers can enjoy local news, entertainment, sports, events, cooking, arts and crafts, information, business profiles, health and safety.

CitiCABLE provides regular coverage of both live and taped public meetings such as the City Council to better enable citizens with busy lifestyles to remain informed about and participate in the democratic process of local decision-making. CitiCABLE also offers an outlet for programming and information neglected by regional broadcast media and provides live and taped emergency information as needed.

The Office of Cable and Community Relations installed a state-of-the-art Master Control Facility in late 2005. This all-digital control room along with the Production Control and various post-production suites and studios allow for the access and distribution of all content throughout the Center.

With this state-of-the-art facility, Torrance CitiCABLE has produced shows that have earned numerous national, regional and local awards including National Association of Telecommunication Officers and Advisors (NATOA) Government Programming Award, Hometown USA Award, Western Access Video Excellence Award, and STAR Award.

CitiCABLE 3 can be reached via email at CitiCABLE@tornet.com or by contacting the Office of Cable and Community Relations at (310) 618-5762, which is located at 3350 Civic Center Drive, Suite 200 in Torrance.

RESOLUTION NO. 2008-R _____

A RESOLUTION OF THE CITY COUNCIL OF THE
CITY OF CULVER CITY, CALIFORNIA, ESTABLISHING THE
MISSION AND OPERATING POLICIES AND PROCEDURES FOR
THE CITY'S GOVERNMENT ACCESS CHANNEL.

WHEREAS, both the federal Telecommunications Act of 1996 and the state Digital Infrastructure and Video Competition Act of 2006 provide that cable television systems shall provide public, educational and governmental channels; and,

WHEREAS, the City Council of the City of Culver City desires to enhance communication with and programming for the benefit of its residents by notifying residents of government actions, events, public safety and cultural and art resources via the use of its cable television system's governmental channel; and,

WHEREAS, the City Council wishes to adopt policies regulating the programming and operation of its cable system governmental channel.

NOW, THEREFORE, the City Council of Culver City, California DOES HEREBY RESOLVE as follows:

SECTION 1. The Government Access Channel Policy, attached hereto as Exhibit A and incorporated herein by reference, is hereby approved and shall be effective on the date of the adoption of this resolution.

SECTION 2. The City Clerk is hereby authorized to affix a number to this City Council Policy and format it in the standard format for City Council Policies.

APPROVED and ADOPTED this ____ day of _____ 2008.

D. SCOTT MALSIN, MAYOR
City of Culver City, California

ATTEST:

MARTIN COLE, City Clerk

APPROVED AS TO FORM:

CAROL A. SCHWAB, City Attorney

City Council Adopted Policy 2008-01
Adopted by Resolution on December 22, 2008
Subject Matter: City's Government Access Channel

1. The mission and goals of the government access channel ("CCTV 35") are to provide information to the citizens of Culver City concerning community issues, policies, events and services. As CCTV is a governmental channel, and not a public access channel, the City of Culver City is solely responsible for the programming of CCTV 35. Through both municipal and original programming, CCTV 35 will serve to create a greater awareness of local government and to facilitate the community's participation in the decision-making process and in activities throughout the Culver City community.

To achieve this mission, the City has set the following goals:

- a) Promote accessibility to Culver City government through live broadcast and scheduled replays of the activities and deliberations of the following bodies of the City of Culver City: City Council, Redevelopment Agency, Planning Commission, Parks, Recreation, and Community Services Commission, Cultural Affairs Commission and Civil Service Commission.
- b) Provide informative and original video programming increasing the public's awareness of the City's cultural, educational and other municipal resources and activities.
- c) Utilize the government access channel to distribute information on the above topics authorized by the City through the broadcast of an electronic bulletin board.

2. Programming on CCTV 35 may include:

- Live Broadcast - Live cablecasting of Council/Agency/Commission meetings and other selected City programs and events.
- Tape delayed cablecasting - City meetings, events and programs that are replayed at a later time and/or date.
- Locally produced cablecasting - Programs produced by the City to illustrate the function or operations of City government including talk shows, tours of government facilities and programs featuring City services, employees or cultural assets.
- Outside resource programs - Programs that are produced by and/or for other government agencies that are consistent with the primary objectives of CCTV 35 to include, but not be limited to, programming from other municipalities.

- CCTV 35 may broadcast special City Council/Agency meetings or events that all City Council/Agency members are invited to attend (e.g. dedications, groundbreaking, etc.).
- CCTV 35 may only air programming related to City events, advisory activity or co-sponsored events within the City or other programming as noted above. No individual or organization may submit material for broadcast on this channel. Opportunities for such display are available through the public access channel.
- Bulletin Board notices will be limited to City sponsored or co-sponsored events, meetings and programs.
- For purposes of this policy, "sponsored" or "co-sponsored" shall mean that the City of Culver City and/or the Redevelopment Agency are/is (a) participating in an official capacity in the planning, preparation or promotion of the event or activity and (b) contributing 25% of the total estimated costs of the event or activity, or at least \$1,000, whichever is less. Such contributions may take the form of funds, labor, staff time, materials, a waiver of fee or any combination of the foregoing.

3. This channel is not intended or constituted as a public forum. Programming shall not:

- Be used as consensus building for an individual or cause and shall not cover proceedings related to upcoming elections (including, but not limited to, candidate statements and speakers forums).
- Be utilized as a political forum or a means of building support for any particular policy, cause or individual.
