DATE: OCTOBER 9, 2007
 TO: 2007 CALL FOR PROJECTS GRANT RECIPIENTS
 FROM: CAROL INGE, CHIEF PLANNING OFFICER *CI*
 COUNTYWIDE PLANNING & DEVELOPMENT
 SUBJECT: FUND ASSIGNMENTS

 RECEIVED
 OCT 15 2007
 Transportation Dept.

On September 27, 2007, the Metropolitan Transportation Authority (Metro) Board of Directors approved the 2007 Call for Projects. Metro recently completed its fund assignments for your approved project(s), which is enclosed as Attachment A for your information and use.

As a reminder, all funding approved by the Metro Board of Directors is subject to the availability of funds. All Metro grant agreements uniformly contain language to this effect.

All sponsors whose project's first year of funding is FY 2008, are required to execute a Letter of Agreement (LOA) or Memorandum of Understanding (MOU) with Metro by December 31, 2007. FY 2008 programmed projects that do not have an executed agreement by this deadline may be subject to deobligation by the Metro Board of Directors. Additionally, an executed agreement is required before commencing work or advertising each project(s) and in the case of state and federal funds, prior to submitting allocation or obligation requests.

All 2007 Call for Projects recipients are required to include their projects in the Transportation Improvement Program (TIP) through the new TIP database ProgramMetro at <http://program.metro.net>. Metro will upload the basic funding data for the 2007 Call for Projects into the "Adoptions in Progress" section of the ProgramMetro database. Agencies must review their projects, add any additional federal, state or local funds, complete the project information section (including the completion date, project status, and environmental document), and "submit" these projects to Metro by October 31, 2007. If your agency plans to obligate 2007 Call for Projects assigned funds prior to October 2008, contact Metro and we will assist your agency with submitting a project into a future 2006 amendment.

For assistance with project submittals to the TIP or to request more information please contact Nancy Marroquin at (213) 922-7237, marroquinn@metro.net, or Avital Shavit at (213) 922-7518, shavita@metro.net. Any other questions should be directed to your respective Area/Modal Deputy Executive Officer/Director, as identified in Attachment B.

Dear Mr. Evans:

Attached is your authorization to proceed with the Preliminary Engineering phase of the above referenced project. The effective date of the authorization is 07/30/09.

Your agency is also required to retain a copy of certain documents in the project files. Your staff should be advised to review Local Assistance Procedures Manual to become familiar with the documents required to be included in the project files. Audit and process review personnel will usually request for these documents.

If you have any questions or need further clarification, please call Smita Dhuldhoya of my staff at (213) 897-2903.

Sincerely,

KIRK CESSNA, Chief
Office of Local Assistance and
Alameda Corridors
