Fiscal Impact: Yes ☒ No ☐		General Fund: Yes ☒ No ☐	
Public Hearing: ☐		Action Item: ☒ Attachments: ☒	
Public Notification: Notify Moore Electric, Comet Electric, Freeway Electric, KDC Inc. , and Crosstown Electric on November 20, 2007 via email; Master Notification List on November 21, 2007			
Department Head Approval: Charles D. Herbertson 11/15/07		City Attorney Approval: Carol Schwab (by H. Iker) (11/20/07)	
Fiscal Impact Review: Marlee Chang (by N. Kimball)(11/20/07)		City Manager Approval: Jerry B. Fulwood (11/21/2007)	
<u>RECOMMENDATION:</u> Staff recommends the City Council award the following: • A construction contract to KDC Inc. (DBA Dynalectric) for an amount not to exceed \$71,865 for the construction of the Copper to Fiber Optic/Mutual Video Surveillance Equipment Change Over; and • A construction contract to KDC Inc. (DBA Dynalectric) for amount not to exceed \$602,420 for the construction of the Traffic Signal Upgrade and Citywide Communication Infrastructure Certification components of the Fox Hills Area Traffic Signal Synchronization Project P-852. <u>BACKGROUND:</u> Staff submitted the Fox Hills Area Traffic Signal Synchronization Project to the Los Angeles County Metropolitan Authority (Metro) 2001 Call for Projects program for funding. The application proposed multiple components of work comprising of upgrading 12 traffic signals within the Fox Hills area, switching existing traffic signal data transmission from copper wire interconnect to the City's existing fiber optic network, providing mutual video surveillance capability between Culver City and Los Angeles Department of Transportation (LADOT), certifying the City's existing traffic signal communication infrastructure and acquiring a citywide traffic control system. The project, CIP P-852, has a total adopted budget of \$1,848,000 (\$1,483,000 in Prop C grant funds and \$365,160 in matching Gas Tax funds). In June 2007, Metro			

City of Culver City, California
City Council Agenda Item Report

granted an additional \$138,825 for the project, which requires a local match of \$46,275.

On October 8, 2007, the City Council approved the final plans and specifications and authorized the advertising of construction bids for one component of the Fox Hills Traffic Signal Synchronization Project (Fox Hills Project): the upgrade of twelve (12) traffic signals and the certification of existing traffic signal communication infrastructure.

DISCUSSION:

Copper to Fiber Optic/Mutual Video Surveillance Equipment Change Over, Bid 1362

This component was advertised during October 2007 and on Thursday, November 8, 2007, the Deputy City Clerk publicly opened the bids. Bids were received from KDC Inc. (DBA Dynalectric), Moore Electrical Contracting Inc. and Crosstown Electrical and Data Inc.

Bidders were instructed to provide bids for two options for procuring equipment and installation of the Copper to Fiber Optic scope of work. Selection of the lowest and responsive bidder would be based on the lowest bid of the total project (Copper to Fiber Optic and Mutual Video Surveillance equipment change over). The table below summarizes the bids submitted by the aforementioned companies.

	KDC Inc.	Moore Electrical	Crosstown Electrical and Data
Option 1	\$35,495	\$33,296	\$49,000
Option 2	\$33,385	\$33,196	\$51,000
Mutual Video	\$48,700	\$48,893	\$48,700
Total w/Opt 1	\$73,975	\$82,189	\$97,700
Total w/Opt 2	\$71,865	\$82,089	\$99,700
Lowest Total	\$71,865	\$82,089	\$97,700

Staff reviewed the bid proposal submitted by KDC Inc. and concludes the bid documents are complete. The bonding information meets City requirements. Staff reviewed their references and found that they performed satisfactorily in other jurisdictions for similar work. KDC has satisfactorily completed several major capital

improvement projects for fiber optic installation for the City and Redevelopment Agency in the past several years.

Traffic Signal Upgrade and Communication Infrastructure Certification, Bid 1375

On Thursday, November 8, 2007, the Deputy City Clerk publicly opened bids. Bids were received from KDC Inc. (DBA Dynalectric), Freeway Electric, Comet Electric Inc. and Moore Electrical Contracting Inc.

The table below summaries the bids submitted by the aforementioned companies.

	KDC Inc.	Freeway Electric	Moore Electrical	Comet Electric
Bid Amount	\$602,420	\$734,500	\$769,321	\$791,000

Staff reviewed the bid proposal submitted by KDC Inc. and concludes the bid documents are responsive and complete. The bonding information meets City requirements. As previously mentioned, KDC has satisfactorily performed similar work for other jurisdictions and for Culver City.

FISCAL ANALYSIS:

The adopted 2007/08 CIP budget includes sufficient funds in the Fox Hills Area Traffic Signal Synchronization project, P-852.

<u>Funding Source</u>	<u>Current Available Amount*</u>
418 Special Gas Tax	\$262,395
423 Capital Grants	\$1,359,400
TOTAL	\$1,621,795

*NOTE: The available amount does not include the additional funds granted by Metro. The City Council will be considering a budget amendment to appropriate those funds on tonight's agenda.
