Subject: E-comment for BPAC meeting - Jan 20th

Hello Michelle,

I have two comments that I would like to add to the BPAC meeting for Thursday 20th.

1. The Jackson Gate was supposed to be opened by the end of 2021 if my memory is correct. It is still closed so I am curious what the hold up is.
2. The Ballona Bike path and Culver Blvd still have signage that prohibits Motorized vehicles. This is a little misleading as Class 1 and Class 2 ebikes (electric Bicycles) are under CA law allowed to travel anywhere a bike is permitted to travel. Maybe a new up to date sign should be in place.

Thank you,

Adrian Killigrew
