I am an owner of a unit at The Windsor Fountain Complex. It is quite concerning to most of us of the recent decision to facilitate a bicycle lane.

I take a stand against the elimination of the center lane. . I base reason on the present traffic which leads us to understand that we will encounter many unfortunate accidents in opening doors of our parked cars, heavy congestion & pollution from traffic of cars not moving JUST to facilitate a bicycle lane!!!

This decision to most of us sounds PENNY WISE. BUT POUND FOOLISH!!!

I, a senior citizen, stand in unison with others protesting the decision. I apologize I will not be able to attend the meeting.

TANK YOU,

Yasmine K.Amaria

WE look forward to hearing cooperation.

Thank you,
