I definitely would like to be facing towards entertainment because traffic is good. It would be nice to have more vendors so maybe you can make it more affordable for non food vendors. Customers were sad that there weren't more vendors to purchase stuff from.

Historically vendor booths were open on Saturday and Sunday only, not on Friday. It was not made clear that that had changed. And it took a while to confirm that the booths were open on Friday.

It was difficult to get enough volunteers to cover all the hours and to talk to visitors once the rides and bands really got going after dark.
