Disability Advisory Committee 2022 Work Plans

1. Conduct outreach to City Departments, other Committees, Commissions and Boards in order to relay to them the mission of the Disability Advisory Committee and its wealth of expertise that can serve as a resource in the creation of policies or the planning of activities impacting community members with disabilities.
2. Invite local non-profit partners to make presentations at upcoming DAC meetings in order to understand the resources available within the City for people with disabilities.
3. Work with City staff to create an initial City disability needs assessment survey which will be distributed to the public and local service organizations.
4. Streamline the process for individuals with disabilities to raise concerns on issues impacting them and present to City staff.
5. Raise Disability Awareness in Culver City by working with City staff.
