B. This PROJECT is programmed to receive State funds from the Active Transportation Program (ATP). Funding may be provided under one or more components. Each allocation will be assigned an effective date and identify the amount of funds allocated per component(s).

This PROGRAM SUPPLEMENT has been prepared to allow reimbursement of eligible PROJECT expenditures for the component(s) allocated. Unless otherwise determined, the effective date of the component specific allocation will constitute the start of reimbursable expenditures.

C. STATE and ADMINISTERING AGENCY agree that any additional funds made available by future allocations will be encumbered on this PROJECT by use of a STATE-approved Allocation Letter and STATE Finance Letter. ADMINISTERING AGENCY agrees that STATE funds available for reimbursement will be limited to the amount allocated by the California Transportation Commission (CTC) and/or the STATE.

D. Upon ADMINISTERING AGENCY request, the CTC and/or STATE may approve supplementary allocations, time extensions, and fund transfers between components. Approved supplementary allocations, time extensions, and fund transfers between components made after the execution of this PROGRAM SUPPLEMENT will be documented and considered subject to the terms and conditions thereof.

Documentation will consist of a STATE approved Allocation Letter, Fund Transfer Letter, Time Extension Letter, and Finance Letter, as appropriate.
