

**Equity and Human Relations Advisory Committee
Listen & Learn Ad Hoc Subcommittee
Report for
July 26, 2022**

Ad Hoc Subcommittee members: Carlos Valverde, Samia Bano

The Committee disseminated a survey (in Spanish) about Culver City services and awareness of city functions, specifically designed for Spanish speakers, at Fiesta La Ballona in October 2021. We only received 10 responses and the review of the responses did not provide adequate results to our inquiry.

The Listen & Learn Ad Hoc Subcommittee would like to request that the same survey be disseminated via City email.
