

1 **RESOLUTION NO. 2022-R**

2  
3 A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF  
4 CULVER CITY, CALIFORNIA, AUTHORIZING THE CHIEF  
5 TRANSPORTATION OFFICER TO SUBMIT APPLICATIONS  
6 FOR VARIOUS GRANT FUNDING OPPORTUNITIES  
7 IDENTIFIED THROUGH JUNE 30, 2023 FOR  
8 TRANSPORTATION PROJECTS AND PROGRAMS.

9 WHEREAS, the Transportation Department applies for multiple grants for  
10 transportation projects and programs, on both a formula and competitive basis, as they are  
11 identified throughout the fiscal year. Grants provided by federal, State of California, and  
12 regional entities are all considered and utilized based on grant funding program objectives,  
13 department needs, and administrative capacity; and

14 WHEREAS, the Transportation Department utilizes multiple sources as  
15 matching funds to meet cost-sharing requirements for such grants, none of which are  
16 supplied by the City's general fund. Matching sources are comprised of local-return  
17 allocations from sales tax measures, State Transportation Development Act and  
18 Transportation Assistance funds, among other sources which comprise a patchwork of transit  
19 funding in Los Angeles County, the State of California as well as nationally; and

20 WHEREAS, transit is uniquely vulnerable to downstream impacts of reductions  
21 in funds given the heavily subsidized nature of transit in the United States. Maintaining a  
22 proactive and nimble approach to sourcing funds is tantamount to maintaining service levels,  
23 while meeting the strategic objectives of electrification, increased ridership, and innovative  
24 service delivery in the face of funding constraints.
