

Culver City Equity and Human Relations Advisory Committee  
Proposed Public Events for Fiscal Year 2022-2023  
Report for August 23, 2022 Meeting

Members of the Public Events Ad Hoc Subcommittee for Fiscal Year 2022-2023 are Samia Bano, Haifaa Moammar and Rebecca Rona.

**Popular events of the past**

We recommend that the Committee sponsor certain popular events, such as the Asian American Storytelling Program, every other year to enable the Committee to schedule events that have not been sponsored in the past.

**Other marginalized people**

We recommend that in the coming year and in ensuing years, some of our events focus on such marginalized people as seniors, children, Muslims and Jews, people with mental health challenges, people with physical disabilities/ "challenges," and others.

**Weekend dates vs. Weekday dates**

In July we proposed weekend dates for three of our public events. We realize that assisting on weekends can be problematic for staff. Therefore, we are presenting two or more options each for several of events.

The Committee can vote to approve the schedule knowing that staff will discuss the date with each ad hoc subcommittee to arrive at a conclusion.
