

Culver City Equity and Human Relations Advisory Committee
Proposed Public Events for Fiscal Year 2022-2023
Report for September 27, 2022 Meeting

Members of the Public Events Ad Hoc Subcommittee for Fiscal Year 2022-2023 are Samia Bano, Haifaa Moammar, Jared Morgan, and Rebecca Rona.

Popular events of the past

We recommend that the Committee sponsor certain popular events, such as the Asian American Storytelling Program, every other year to enable the Committee to schedule events that have not been sponsored before.

Other marginalized people

We recommend that in the coming year and in ensuing years, some of our events focus on such marginalized people as seniors, children, Muslims and Jews, people with mental health challenges, people with physical disabilities/ "challenges," and others.

With the exception of the Latino Heritage Month Celebration and the "Paper Tigers" Documentary Screening and Community Conversation, the programs listed below would require little or no funding.
