Community Survey Regarding Persons with Disabilities

The Culver City Disability Advisory Committee (DAC) would like to know if there are any prevalent needs that are not being met for the Culver City Community with disabilities. This quick survey will help the DAC establish potential work plans and concerns to bring to the City Council in the years ahead. If you or someone in your household considers yourself to have a disability, please assist us by taking this quick survey which should take 10 minutes to complete.

1. Are you or someone in your household a resident of Culver City?
2. If yes, what are the nearest major intersection to your home?
3. Do you or someone in your household consider yourselves to have a disability? Examples could be hearing loss, visual impairment, use of a mobility device, speech impairment or intellectual disability:
 - Yes
 - If yes, how many persons in the household have a disability: 1, 2, 3, 4, 5, 5+
 - No
4. If you do not consider yourself to have a disability, but support someone in your home who has a disability, please let us know:
 - I am a family caregiver
 - I am a support worker
 - Other: _____
5. How would you describe your disability or that of the person you support?
 - Developmental
 - Learning
 - Mental Health
 - Unseen
 - Physical
 - Sensory
 - Other: _____

If more than one person, please use dropdown menu. For example, if two people have sensory challenges, please select the number 2 before that category.

6. What is going well for you as a person with disabilities living in Culver City?
7. What services in the Culver City community do you find difficult to access as a person with disabilities?
8. Are there local Culver City events that are difficult to attend because of a possible barrier?
9. If yes to #8, what recommendations would you make to improve this?

10. If you could change one thing in Culver City for persons with disabilities what would it be?

11. How do you feel about living in Culver City as a person with disabilities?

12. How do you travel around the city?

- Car
- Bus
- Bike
- Walk
- Scooter
- Wheelchair
- Other:

13. Is there anything else you would like us to know?
