

FINANCE ADVISORY COMMITTEE

Work Plan Recommendations

1. Ongoing monitoring of cybercrime and payment fraud trends, threats and strategies to make recommendations to City in effort to promote and institute best practices to prevent external fraud.
2. Review and institute best practices for pricing internal services.
3. Review and institute best practices for business preparedness and continuity guidelines.
4. Review and institute best practices for grants administrative oversight.
5. Design and review a stress test for revenue reduction scenarios.
6. Investigate feasibility of fully electrical or other high efficiency vehicles throughout all Culver City-owned vehicles.
