REF: CULVER CITY TRANSFER STATION INTERIOR BUILDING RENOVATION, PZ-948, BID NO. #1605
SUBJECT: BID PROTEST

Mr. Jeremy Green,

Please find herein notice of CALTEC CORP's bid protest for above referenced project.

CALTEC CORP, the second lowest apparent bidder, believes the lowest apparent bidder is not and has not submitted a responsive bid for above referenced project.

As you may be aware, the project consists of Epoxy Flooring and Roofing scopes of work. The lowest apparent bidder has failed to list a subcontractor at the time of bid opening for these scopes of work. Epoxy Flooring and Roofing are specialty trades and require installation qualifications by a Manufacturer certified installer, otherwise the manufacturer would not provide a warranty.

We request the City evaluates and considers above objections and rejects submitted bid by the lowest apparent bidder as Non-Responsive.

Please feel free to contact me directly at 714-717-1638 should you have any questions.

Sincerely,

Hamid Abghari
CALTEC CORP
President
