RE: **CULVER CITY BIKE SHARE**

Dear Mr. Herbertson:

On behalf of the Los Angeles Department of Transportation (LADOT), I would like to extend my support for the Culver City staff recommendation for Culver City to pursue a smart bike system with Metro. The selection of the Metro smart bike system will facilitate a borderless system between our two cities providing for a seamless experience for users.

We look forward to working together with you on a cross-jurisdictional implementation plan that serves both of our residents and visitors.

Should you have any questions and or comments please feel free to contact Marcel Porras from my team at [marcel.porras@lacity.org](mailto:marcel.porras@lacity.org) or (213) 972-8434.

Sincerely,
