Jose Mendivil, Associate Planner, provided a summary of the material of record.

MOVED BY VICE MAYOR COOPER, SECONDED BY COUNCIL MEMBER SMALL AND UNANIMOUSLY CARRIED, THAT THE CITY COUNCIL OPEN THE PUBLIC HEARING.

Mayor Clarke invited public comment.

The following members of the audience addressed the City Council:

Captain Bernardo Herzer, property owner, provided background on the project.

Discussion ensued between Mr. Herzer, staff, and Council Members regarding preserving trees on the site; parking; use of space; Ballona Creek; driveway access; paving materials; and environmental impacts of the project.

Phil Roberts, Civil Engineer, discussed the proposed paving in the driveway and courtyard areas, and runoff.

Further discussion ensued between Mr. Herzer, staff and Council Members regarding a meeting that was supposed to have occurred to discuss issues with runoff and the trees;

concern with moving forward with final approvals before issues are addressed; the appeal period; tentative map conditions; making findings to apply the conditions; previous approval of the lot split; the lapse of the entitlements; changing times; new standards; solutions to keeping the mature trees; the plan of the developer; age and condition of the trees; the number of trees in question; the new plan; and direction that staff work with the applicant with a report back to the City Council.

MOVED BY COUNCIL MEMBER SMALL, SECONDED BY COUNCIL MEMBER SAHLI-WELLS AND UNANIMOUSLY CARRIED, THAT THE CITY COUNCIL CLOSE THE PUBLIC HEARING.

Additional discussion ensued between staff and Council Members regarding the inability of newly planted trees to adequately replace mature trees; a suggestion to insert a reference to the use of pervious pavers, reconfiguring the driveway at the street frontage, study of the entry design and preserving the existing street trees along the property line on page 4, item 5; notice to the community; outreach; whether the project fits in with the neighborhood; due diligence; addressing concerns; not wanting to slow down the process; Planning Commission direction to look into the trees prior to the issuance of a building permit; direction to staff that they double check the requirements; whether the trees could become a sticking point; unforeseen conditions that could result from the redesign; the request from the Commission to study the item; driveway entry; and due diligence.

MOVED BY COUNCIL MEMBER SMALL, SECONDED BY COUNCIL MEMBER SAHLI-WELLS AND UNANIMOUSLY CARRIED, THAT THE CITY COUNCIL: ADOPT A RESOLUTION APPROVING TENTATIVE TRACT MAP, P2016-0177-TTM (WITH MAP NO. 69482), SUBJECT TO THE CONDITIONS OF APPROVAL AS STATED IN THE PROPOSED RESOLUTION IN ORDER TO ALLOW THE CREATION OF THREE LOTS AND CONSTRUCTION OF TWO CONDOMINIUMS ON EACH LOT FOR A TOTAL OF SIX CONDOMINIUM UNITS WITH THE ADDITION OF THE THREE ITEMS ON PAGE 4, ITEM 5 TO INCLUDE REVIEW OF THE PERVIOUS PAVEMENT, THE TREES ALONG THE BOUNDARY LINE AND THE ENTRYWAY TO THE DRIVEWAY.

Item PH-2
(formerly item A-3)

**CC - Introduction of an Ordinance Amending Title 17,
Zoning, of the Culver City Municipal Code (CCMC), Section
17.210.015 - Residential Zoning District Land Uses and
Permit Requirements, and Zoning Code Section 17.400.095 -
Residential Uses - Accessory Dwelling Units (Zoning Code
Amendment P2017-0052-ZCA)**

Mayor Clarke clarified the action to be taken on the item.

MOVED BY COUNCIL MEMBER SAHLI-WELLS AND SECONDED BY COUNCIL
MEMBER ERIKSSON THAT THE CITY COUNCIL RECEIVE AND FILE THE
AFFIDAVIT OF PUBLICATION AND POSTING OF NOTICES AND
CORRESPONDENCE.

THE MOTION CARRIED BY THE FOLLOWING VOTE:

AYES: CLARKE, ERIKSSON, SAHLI-WELLS, SMALL
NOES: NONE
ABSTAIN: COOPER

Sol Blumenfeld, Community Development Director, introduced
Contract Manager, Michael Allen.

Vice Mayor Cooper returned to the dais.

Michael Allen, Contract Planning Manager, provided a
summary of the material of record.

Discussion ensued between staff and Council Members
regarding impacts to development in Culver City; the number
of accessory units; evolution of the zoning code;
technology; the share economy; time spent abating garage
conversions; changing thinking; the state mandate;
minimizing disruption; development of affordable housing in
the City; differences between state law and City practices;
preserving the sanctity of R1 zoning; the intent of the
state; ramifications of not following the state mandate;
legal challenges; standard lot size in the City; provisions
in the state law regarding City restrictions; preventing
ADUs from being built; concern with placing an undue burden
on being able to build ADUs; privacy issues; protecting
views; discretionary approval; underlying zoning standards;
providing distance between structures; solar panels;
protecting investments; the mansionization guidelines; the

restriction on short-term rentals and enforcement; ensuring that mansionization restrictions are also placed upon ADUs; maximum square footage; verification of occupation; and parking requirements.

MOVED BY COUNCIL MEMBER SAHLI-WELLS, SECONDED BY COUNCIL MEMBER ERIKSSON AND UNANIMOUSLY CARRIED, THAT THE CITY COUNCIL OPEN THE PUBLIC HEARING.

Mayor Clarke invited public comment.

The following members of the audience addressed the City Council:

Daniel Mayeda discussed the hillside moratorium; asked for clarification regarding construction of ADUs in Culver Crest; suggested that the City use language from the proposed Los Angeles ADU ordinance indicating that "ADUs are not intended for sale and shall not be sold separate from the existing family dwelling unit"; he proposed adding language prohibiting construction of a detached ADU that is more than a single story structure and indicating that new ADUs shall not be allowed that, when combined with the primary dwelling unit, give the appearance from the ground floor of a more than a two story structure or could enable an owner to construct a three story or higher structure; and he indicated that he would provide a written outline of comments made by he and his neighbors.

Mayor Clarke clarified that the moratorium is in effect and the City has the ability to deal with the hillside development issue on ADUs separately.

Paul Asai questioned information provided by staff regarding the state mandate on ADU restrictions; discussed the purpose of R1 zoning; asserted that allowing ADUs converts an R1 zone to an R2 zone; felt the City had ample authority to enact restrictions on building ADUs in R1 zones; expressed concern with changing the character of the area; discussed traffic and parking issues; he implored the City Council to prohibit ADUs in R1 districts; noted that times were changing; discussed Floor Area Ratios and questioned whether they would pertain to ADUs; and he wanted to see a slope analysis mapping system utilized with the hillside ordinance.

Katherine Finamore discussed provision G in the current ordinance; asked for clarification regarding existing setback requirements; discussed multiple street frontages; asked that the draft be amended to require that any new ADU built on a corner lot be set back from each street; she asked that the City clarify that the 600 square-foot maximum includes enclosed, covered decks; discussed Provision I, kitchen and bathroom facilities; she suggested that Provision E indicate that no more than one accessory dwelling unit allowed on the property; and she asked the City to add that there can be no more than two kitchens per lot.

Nicholas Cregor reported that he had become the spokesperson for 50 homeowners on Culver Crest who voted that the lot size requirement should be 6,000 square feet; he discussed Provision L; specific design standards to protect privacy of adjacent properties and encourage compatibility with existing structures on the side; he asked that protocol be spelled out for the process of determining whether design standards are met, with authority given to the Planning Commission; expressed concern with having design standards set by a single staff person; felt that the ordinance should specify that the parking space should be a standard size; expressed concern with multiple exemptions; he wanted to see a requirement that all ADUs provide a minimum of one standard parking space; he asked that subparagraph H.3.a be deleted; and he discussed genuine granny flats.

Steven Gourley agreed with previous comments; expressed appreciation that the issue was set aside so the hillside ordinance could be discussed; he questioned how ADUs would be enforced; observed that it is easier to keep a building from being built rather than undoing it; he requested that neighbors within 1,000 be notified; discussed enforcing the owner's obligation to make plans available to area homeowners; he questioned what the City had done to tell the state that it is a bad law; expressed concern with diminished local power; and he asked about the position of the League of Cities on the issue.

Patricia Mooney, Senior Management Analyst, read a written comment submitted by:

David Metzler

MOVED BY COUNCIL MEMBER SMALL, SECONDED BY VICE MAYOR COOPER AND UNANIMOUSLY CARRIED, THAT THE CITY COUNCIL CLOSE THE PUBLIC HEARING.

Discussion ensued between staff and Council Members regarding consistency with the Los Angeles provision that a property not be intended for sale; whether the ADU can be limited to a single-story structure; the hillside prohibition in place that applies to ADUs; preemption of the City to act on ADUs in the R1 zone; using the slope mapping system from Los Angeles; deck permitting; limitations on the number of kitchens; the square footage limitation; setting a standard for the developable area of a lot; addressing privacy standards; Commission consideration; discretionary consideration; grading standards; the inability to require additional parking; enforcement of ADUs; increases to noticing requirements; discretionary permits; the ability to protest or appeal; requiring the owner to make plans available at the public counter; FAR and ADUs; co-mingling regular development standards with ADU standards; the inability of design review other than application of development standards; concern with unduly burdening the ability to build an ADU; the need for more housing; hillside development standards; amendments after staff study of other issues; and putting standards in place.

Katherine Finamore expressed concern with discretionary review and requested that it be specified that only two kitchens are allowed per lot.

Sol Blumenfeld, Community Development Director, indicated that there was a requirement for one kitchen in ADUs.

Additional discussion ensued between staff and Council Members regarding a clarification in Section I, Habitability, to indicate "...and shall include one kitchen and one bathroom facility..."; the intent of the state; the need for multiple kitchens for religious reasons; support for expanding the square footage when the item comes back; concern if changes that come back for the second reading are substantive; amending the ordinance at a later date; state requirements; staff investigation of the number of lots that meet the square footage requirement; concern with creating a burden; concern with getting an ordinance in place in a timely fashion; the default to the state requirements if no local ordinance is in place; moving

forward with the proposed ordinance with the ability to make amendments; and further staff research.

MOVED BY COUNCIL MEMBER SMALL, SECONDED BY COUNCIL MEMBER SAHLI-WELLS AND UNANIMOUSLY CARRIED, THAT THE CITY COUNCIL: INTRODUCE AN ORDINANCE APPROVING ZONING CODE AMENDMENT P-2017-0052-ZCA, AMENDING TITLE 17, ZONING, OF THE CULVER CITY MUNICIPAL CODE (CCMC), SECTION 17.210.015 - RESIDENTIAL ZONING DISTRICT LAND USES AND PERMIT REQUIREMENTS, AND ZONING CODE SECTION 17.400.095 - RESIDENTIAL USES - ACCESSORY DWELLING UNITS.

Action Items

Item A-1

CC - (1) Introduction of an Ordinance Adding Chapter §11.18, Polystyrene Regulations to Title 11, Business Regulations, of the Culver City Municipal Code; and (2) Adoption of a Categorical Exemption Relating Thereto, Pursuant to the California Environmental Quality Act (CEQA)

Discussion ensued between staff and Council Members regarding viable alternatives for hard polystyrene; the #5 lid introduced by Starbucks; and exempted items.

Joe Susca, Senior Management Analyst, reported a correction in the ordinance to the operative date on page 6 noting that the intent is to provide a 6-month window for food providers to find substitute products so November 8, 2017 should be listed as the date.

Additional discussion ensued between staff and Council Members regarding adding items to the exemption list; whether changing language in the amendment from annually to as needed would be considered a substantive change; staff research and discretion; what triggers as needed changes; and clarification that taking Exemption C away would create a substantive change.

Mayor Clarke invited public comment.

The following members of the audience addressed the City Council:

Chris Wade, Surfrider Foundation, expressed support for the ordinance and wanted to see a ban on rigid polystyrene in addition to expanded polystyrene.

Blake Hottle, BCR, expressed concern with the recent addition of Exemption C to the regulations and asked that it be removed.

Michael Doshi, Gnarly Beach Cleaner, expressed support for moving forward with the ordinance.

Margot Parker, Surfrider Foundation, expressed support for the ban; thanked the City Council; noted the critical need to move away from products using polystyrene; and she asked that the City Council omit or revise Exemption C noting that Exemption B would take care of any issues.

Tina Segura, Surfrider Foundation, thanked the City for their efforts and expressed concern regarding Exemption C.

Steven Johnson, Heal the Bay, thanked the City for their efforts; discussed Section D; increasing awareness; and Culver City as a leader in environmental issues.

Jim Lamm, BCR, provided background on the item; thanked staff for their efforts; expressed concern with uncertainty created by Exemption C and willingness to work with the City; and he hoped to see everyone at the Up the Creek event.

David Harford, Surfrider Foundation, expressed support for the ordinance asking that Exemption C be struck.

Craig Cadwallader, Surfrider Foundation, thanked everyone for their hard work on one of the top five ordinances in the state; expressed concern with Exemption C as the clause could create an approved polystyrene food service item list; reported that no ordinance in the state has such a clause; he discussed the hardship clause; and he urged the removal of paragraph C from the exemption clause.

Shea Cunningham, Balanced Approach and BCR, provided background on herself; urged the City Council to pass a strong, meaningful, and effective ordinance to reduce toxic polystyrene pollution in Ballona Creek; discussed Measure CW and the money spent annually on urban runoff; and she felt there was no need for further exemptions.

Alex Fisch expressed support for the ordinance; urged the City Council to omit Exemption C; discussed cases where there is no reasonably feasible alternative for a specific and necessary polystyrene service item; the authority of the City Manager; the appeals process; easing the enforcement process; and concern with attracting organized outside influences.

Sasha Gutierrez, Surfrider Foundation, asked the City Council to hinder the use of an obsolete product.

Carlene Brown, Culver City Community Coalition, congratulated the City Council on their efforts to become a sanctuary city and she asked the City Council to do the right thing for the planet.

Daniel Lee asserted that it would not do the community any good to have the ban passed with Exemption C in place; he noted that the hardship clause would provide options for business owners; discussed Culver City business owners in support of the ban; efforts of the plastics and polystyrene industries; and the importance of a strict ban with the leeway to apply for hardship or use other products as necessary.

Charlotte Potter expressed concern with the health of the oceans and beaches, and support for an ordinance to ban polystyrene.

Ben Kay expressed support for a ban and wanted rigid polystyrene at retail stores included; he noted that polystyrene is a known carcinogen; wanted to see Exemption C deleted; expressed concern with the potential loophole; and he thanked the City Council for their efforts.

Michelle Weiner congratulated the City Council for their efforts; agreed that Exemption C weakened the ordinance; discussed toxicity and public safety; she reported public concern with the potential loophole created by Exemption C; and she asked the City to approve the ordinance without Exemption C.

Liz Wang, Surfrider Foundation, applauded efforts of the City to bring the ordinance forward and she urged the City to adopt the ban without Exemption C.

Sullivan Barth, Culver City High School BCR, asked that the ordinance be approved without Exemption C; noted that Earth Day is coming up; and he thanked the City for putting forward an image of a City who helps the environment.

Patricia Mooney, Senior Management Analyst, read written comments submitted by:

Warren Wagner, Surfrider Foundation

Discussion ensued between staff and Council Members regarding the education component; enforcement; making the approved list and exempt list clear; non-compliance in Manhattan Beach; succeeding where other cities have not; whether eliminating Exemption C would slow the process down; the successful bag ban; being cognizant of staff burden; resident reporting of violations; concern with confusion caused by language in the Exemption and unnecessary staff time; the Sustainability Subcommittee; alternative items available; time and effort dedicated to partnering with businesses; adding a look back provision; alternatives available for all hard polystyrene; making a clear statement to businesses there are no exemptions for hard polystyrene; mom and pop restaurants; violations; viable alternatives; substituting one form of plastic for another; using environmentally sustainable materials; exemptions for food delivered from Los Angeles into Culver City; concern with lengthening the process; economic hardship; the annual preparation of a list to go before the City Council; and clarification that adding a look back clause would not necessitate bringing back the ordinance.

Council Member Eriksson moved to accept the staff recommendation and Vice Mayor Cooper seconded the motion.

Council Member Small proposed a substitute motion adding an amendment to include a look back provision.

Further discussion ensued between staff and Council Members regarding including a sunset if, after the first year, no items are included on the list and it is not needed as determined by the City Manager, Exemption C would expire.

MOVED BY COUNCIL MEMBER SMALL AND SECONDED BY COUNCIL MEMBER SAHLI-WELLS THAT THE CITY COUNCIL:

1. INTRODUCE AN ORDINANCE ADDING CHAPTER §11.18

POLYSTYRENE REGULATIONS TO TITLE 11, BUSINESS REGULATIONS OF THE CULVER CITY MUNICIPAL CODE RELATING TO POLYSTYRENE FOOD WARE WITH THE PROPOSED SUNSET OF EXEMPTION C IF NO ITEMS ARE ON THE LIST AFTER THE FIRST YEAR; AND

2. ADOPT A CATEGORICAL EXEMPTION RELATED THERETO PURSUANT TO THE CALIFORNIA ENVIRONMENTAL QUALITY ACT, FINDING THAT THE PROPOSED POLYSTYRENE REGULATIONS DO NOT CREATE ANY POTENTIALLY SIGNIFICANT ADVERSE IMPACTS ON THE ENVIRONMENT.

THE MOTION FAILED BY THE FOLLOWING VOTE:

AYES: SAHLI-WELLS, SMALL
NOES: CLARKE, COOPER, ERIKSSON

MOVED BY COUNCIL MEMBER ERIKSSON AND SECONDED BY VICE MAYOR COOPER THAT THE CITY COUNCIL:

Item A-2

CC - Establishment of a Short-Term Rentals Task Force and Appointment of One or Two City Council Members Thereto

Jesse Mays, Assistant to the City Manager, provided a summary of the material of record.

Discussion ensued between staff and Council Members regarding having a member of the Landlord Tenant Mediation

Board serve on the task force; the ability of the task force to vote; clarification that the task force would be a Brown Act entity; whether there would be voting or recommendations; ensuring that the task force has an odd number of members; and including two Council Members in the task force.

Mayor Clarke invited public comment.

The following member of the audience addressed the City Council:

Stephen Paull suggested that whomever joins the Task Force be committed to residents rather than trying to monetize short term rentals for tax revenue; he discussed enforcement; recognized those involved in the process; reported that residents are afraid of coming out to discuss the item and turning their neighborhoods into feuds; he discussed the number of short term rentals in the City that are directly affected by any action taken; and he noted that there were far more short term rentals and neighbors being affected negatively than it appears.

Mayor Clarke indicated that the City was not viewing the issue as a revenue generator; noted the illegal nature of short-term rentals; and he discussed the intimidation factor for neighbors.

Discussion ensued between Mr. Paull and Council Members regarding confidential online surveys; outreach; the length of the process; meeting notification; concern with outside people filling out confidential surveys; expeditious direction from the subcommittee; the actions of Hermosa Beach; and ADU use for short-term rentals.

MOVED BY VICE MAYOR COOPER, SECONDED BY COUNCIL MEMBER SMALL AND UNANIMOUSLY CARRIED, THAT THE CITY COUNCIL:

1. ESTABLISH THE SHORT-TERM RENTALS TASK FORCE AS DESCRIBED IN THE STAFF REPORT, OR AS MODIFIED BY CITY COUNCIL; AND
2. APPOINT CITY COUNCIL MEMBER ERIKSSON AND MAYOR CLARKE TO THE SHORT-TERM RENTALS TASK FORCE.
