Subject: Bikeshare in the neighborhood

Culver City Bicycle & Pedestrian Advisory Committee,

My name is Daniel Esquivel, and I'm a local Palms resident. I'm vested in our local community and providing community-building opportunities. A bikeshare program for Culver City and the surrounding neighborhoods would be a great way to connect us all, reduce traffic, and promote health & wellness.

I care about our neighborhood and trust that the advisory committee will make sound recommendations for improving our area.

Best,
