**Items from Disability Advisory Committee Members/Staff**

Chair Shery reported receipt of correspondence from Glenn Heald requesting submission of requests for Community Block Grant Development (CDBG) funds; he discussed the existing backlog of sidewalk repairs eligible for CDBG funding; he observed that the Disability Advisory Committee had not been asked to provide a representative to the CDBG Committee; and he questioned whether the Committee wanted to continue with the same recommendation as last year.

Discussion ensued between staff and Committee Members regarding recommendations from last year; clarification that a formal vote could not be taken regarding CDBG funding as the matter was not on the agenda; and Committee consensus to recommend the same proposed projects as the previous year which are: funding of the Disability Services Specialist to the maximum allowable, and sidewalk repairs in accordance with the City's plan.

Member Osborne expressed concern with irregular sidewalks, holes in random areas, and hazards caused by plates that cover things underground throughout the City noting that an irregular sidewalk had caused her husband to trip and fall, and she reported that her son, who is on the spectrum, had gotten an unpaid internship with Project Search at the Ronald Reagan UCLA Medical Center.

John Adams, Disability Services Specialist, asked that anyone with concerns about particular sidewalk issues report the location to him so that he can forward to the Public Works Department or that Members contact Public Works directly.

Member Sookne requested instructional pamphlets to distribute to the Girl Scouts.

Member Hoult announced the LA Goal Art Show on October 13, and she expressed concern that ADA requirements were not being taken into consideration during construction of the bridge across La Cienega.

Discussion ensued between staff and Committee Members regarding the new trail in Culver City Park; the bridge over La Cienega; jurisdiction; and clarification that the law requires that all construction be ADA compliant.

Member Hasegawa indicated that he would be in Tokyo on the day of the Abilities Carnival; noted that his term on the Senior Center Board would be expiring in December; and he expressed concern regarding future funding from the Senior Center Association to support the Abilities Carnival.

John Adams, Disability Services Specialist, discussed current funding levels.

Member Naing noted that October is Disability Awareness month as well as National Disability Employment Awareness month; he distributed fliers for the Apprenticeship Career Fair on October 24 and the Diversity Job Fair in Orange County organized by the Department of Rehabilitation; he discussed increases to the minimum wage; and he asked about hosting a Disability Diversity Job Fair or Resource Fair in Culver City next year.

o0o

**Adjournment**

There being no further business, at 7:36 P.M., the Disability Advisory Committee adjourned its meeting to a meeting on Wednesday, December 12, 2018 at 7:35 P.M. in the Senior Center Conference Room.
