Dear Mr. Mirzaian:

Thank you very much for the opportunity to continue to provide you with Sewer Line Chemical Root Control Services. As a result of our established relationship, Duke's Root Control, Inc. would like to continue to extend the prices that you have paid since 2013 as follows:

Pipe Size	Unit Price
6 inch	\$0.94/foot
8 inch	\$0.94/foot
10 inch	\$0.97/foot
12 inch	\$1.15/foot
15 inch	\$1.45/foot

Prices are computed per linear foot, manhole to manhole, and Duke's standard guarantee applies to all sanitary sewers treated. Please note that a \$3,000 minimum is required, and prices for pipes larger than 15 inches are determined on a case-by-case basis.

If you require any further information, please call 1-800-447-6687. Thank you again for your continued business.

Sincerely,

Thomas W. Edwards
