## CULVER CITY SALES TAX REVENUE

## FISCAL YEAR 2019: QUARTER 1 MEASURE Y REVENUE

Through the first quarter of Fiscal Year 2019, Measure Y sales tax collections totaled \$2.7 million, or 27.4% of budgeted revenue. Fiscal Year 2019 revenue for Measure Y was budgeted at \$9.7 million.

First quarter Measure Y receipts tracked \$0.2 million (9.1 percent) higher than prior year receipts. This year-over-year increase was in part due to increases in the building and construction sector, which saw generous increases over the same period in the prior year.

Cumulatively, a total of \$49.9 million in revenues has been raised since the measure's implementation.

Measure Y funds are budgeted as part of the annual budget approval process by the City Council. Funds received are deposited into the City's General Fund and allocated to sustain general municipal functions.

Measure Y is a voter-approved one-half percent transaction and use tax adopted to maintain City of Culver City critical services. With limited exceptions, the transactions and use tax is imposed on the same goods and merchandise as the local sales and use tax. The 10-year measure gained overwhelming voter approval in November 2012 and went into effect April 2013 to provide necessary resources to resolve the City's structural deficit issues and continue services at existing levels. Measure Y contains a sunset provision, which will result in the expiration of the measure on March 31, 2023 if not reauthorized by voters.
