MOVED BY COUNCIL MEMBER SMALL, SECONDED BY COUNCIL MEMBER LEE AND UNANIMOUSLY CARRIED, THAT THE CITY COUNCIL RECEIVE

AND FILE THE AFFIDAVIT OF PUBLICATION AND POSTING OF THE PUBLIC HEARING NOTICE.

Sol Blumenfeld, Community Development Director, provided a summary of the material of record.

Gabriela Silva, Associate Planner, discussed reduced parking as it relates to in lieu fees; experiences of other cities; feedback from the public; potential conflict with smaller dimensions; anecdotal data; EV parking; costs; increased ratios; EV ready vs. EV capable; guest parking; residential vs. non-residential; requirements for high turnover uses; Level 1 vs. Level 2 charges; and practices of other jurisdictions.

Michael Allen, Planning Manager, indicated that staff was seeking direction on specific parking strategies and action on three text amendments.

Discussion ensued between staff and Council Members regarding support for requiring Level 2 chargers; combo spaces; management; requirements with entitlements; look back conditions; true supply and demand; annual review; penalties; the feeling that things would sort themselves out; California Air Resources Board recommendations; national data; pure electric vs. hybrid electric; adjusting to demand; and concern with being constantly behind.

MOVED BY COUNCIL MEMBER FISCH, SECONDED BY COUNCIL MEMBER LEE AND UNANIMOUSLY CARRIED, THAT THE CITY COUNCIL OPEN THE PUBLIC HEARING.

Mayor Sahli-Wells invited public comment.

The following member of the audience addressed the City Council:

Michelle Ford asked that data regarding impacts of the chargers on individual health be considered before moving forward, and she expressed concern with the impact of batteries on the environment.

Jeremy Green, City Clerk, read a written comment from:

Judi Sherman

MOVED BY COUNCIL MEMBER FISCH, SECONDED BY COUNCIL MEMBER SMALL AND UNANIMOUSLY CARRIED, THAT THE CITY COUNCIL CLOSE THE PUBLIC HEARING.

Discussion ensued between staff and Council Members regarding appreciation for the context provided by staff; national trends vs. EV sales in California; forecasting demand; the 2016 Green Building Code; compact spaces; shorter stalls; in lieu fees; language in the ordinance requiring high level chargers; general parking strategies; micro transit lanes; flexibility with parking minimums; unbundled and shared parking; above ground parking garage strategies; activating the street; adopting the table by resolution to add flexibility; concern with placing too high a burden on construction; power company calculations; availability of power; balancing demand; unintended consequences; phasing in; costs; affordability; support for the careful consideration given by the Planning Commission; costs for Level 1 and Level 2 chargers; EV ready vs. EV capable; non-residential multi-use spaces; shared parking; influencing behaviors; hybrid spaces; parking maximums; the Luskin Study; providing EV charging opportunities; support for requiring all Level 2 chargers; adopting effective provisions for the most amount of people; length of time to complete developments; forward thinking policy; comparisons with neighboring communities; impacts to shortening parking stalls; striking a balance; redirecting value toward climate infrastructure; the expectation of free parking; providing leeway with the 15 foot length; building parking structures that can be converted to apartment buildings in the future if car usage decreases; inclusionary zoning; incentivizing the building of affordable units by requiring less parking; EV ready vs. EV capable; the Planning Commission recommendation; realistic expectations; concern with stranded developments; jobs coming into the City; the need for additional housing; and concern with moving too far ahead of the rest of the market.

Vice Mayor Eriksson proposed a motion to support the Planning Commission proposal with regard to the number of EV ready and EV full spaces, with an additional 10% of EV capable spaces.

Additional discussion ensued between staff and Council Members regarding the definition of EV ready and EV capable; technological updates; concern that residents would not know that the capacity exists for EV chargers; concern that

proposed motion has not been vetted; developers that do not make upgrades unless forced to; requiring everything from the start to ensure compliance; market demand; costs to convert from capable to ready; changing technology; and reduced costs.

Vice Mayor Eriksson clarified his motion to require 10% EV full Level 2, 10% EV ready, and 20% EV capable for both commercial and residential.

Further discussion ensued between staff and Council Members regarding ensuring that residents and users are aware that there is more capacity; the difficulty of enforcing education; marketability; promoting units as including EV chargers; high tech companies coming into the City; commercial vs. residential; stall length; and ensuring that a minimum of two EV spaces are required for non-residential.

MOVED BY COUNCIL MEMBER ERIKSSON AND SECONDED BY COUNCIL MEMBER FISCH THAT THE CITY COUNCIL: INTRODUCE AN ORDINANCE APPROVING ZONING CODE AMENDMENT P2018-0186-ZCA, AMENDING TITLE 17, ZONING, OF THE CULVER CITY MUNICIPAL CODE (CCMC), CHAPTER 17.320 - OFF-STREET PARKING AND LOADING WITH EV REQUIREMENTS AS DISCUSSED.

THE MOTION CARRIED BY THE FOLLOWING VOTE:

AYES: ERIKSSON, FISCH, SAHLI-WELLS, SMALL
NOES: LEE

Additional discussion ensued between staff and Council Members regarding stall length; adopting charger requirements by resolution to allow the ability to make changes as needed; clarification that language regarding high turnover usage is not needed since Level 2 chargers were required for all uses; support for requiring that 25% of stalls be compact and 15 feet; matching supply and demand; prohibition of non-EV cars from parking in EV spots; ensuring that there is due diligence and communication as to EV capacity existing in buildings; communication to residents and businesses; notification required by the developers to tell tenants that there is capacity for more EV than is visible in the building; stall signage; changing the code for all parking districts for consistency; and the in lieu recommendation.

MOVED BY MAYOR SAHLI-WELLS, SECONDED BY COUNCIL MEMBER LEE AND UNANIMOUSLY CARRIED, THAT THE CITY COUNCIL ADOPT A REDUCTION

IN THE SIZE OF COMPACT PARKING SPACES TO 15 FEET, CHANGE THE REQUIREMENT FROM 20% TO 25% FOR COMPACT PARKING SPACES, COMMUNICATION TO ALL RESIDENTS AND BUSINESSES WITH CONSISTENCY FOR ALL PARKING DISTRICTS, AND INCLUDE THE IN LIEU RECOMMENDATION.

Vice Mayor Eriksson received clarification that a workshop would be held to clarify the other items.

Action Items

Item A-1

CC - (1) Approval of the City of Culver City Coyote Study and Management Program Proposed by Dr. Eric G. Strauss, Ph.D. from the LMU/LA Center for Urban Resilience; (2) Authorize the Culver City Police Department to Implement the Program; (3) Approval of a Three-Year Agreement with Loyola Marymount University (LMU) Center for Urban Resilience (CUREs) for the Implementation of the Culver City Coyote Study & Management Program in an Amount Not-to-Exceed \$210,000; and (4) FOUR-FIFTHS VOTE REQUIREMENT: Approval of a Related Budget Amendment

Leon Lopez, Culver City Police Lieutenant, introduced the item.

Dr. Eric G. Strauss discussed the revised proposal; noted the proposal had been kept general for flexibility; discussed the three year plan; annual review; public input; effective interventions; site tours; addressing immediate concerns; high risk areas; historical data; demographic structure and population patterns; primary concerns; education; implementation of long term monitoring and management; high levels of human/coyote conflict in California; effective intervention through information gathering; work with other organizations; and modifications to methodologies based on input from the public.

Discussion ensued between Dr. Strauss, staff and Council Members regarding public input; geographic areas; identification of pathways; range of movement; conduits for travel; remote camera sensing systems; travel along waterways and fence ways; gathering physical data; public education and outreach; applied direct research; habituated coyotes;

management options; the measure of success; identifying tools to solve problems in the community; diet; hazing techniques; interventions; reducing future conflicts; unintended consequences of total coyote removal; amount of time the Police Department spends on coyote issues; appreciation for the partnership with experts; information exchange with other experts; ecological conditions giving rise to a new mesopredator; the changing role in the eco-system; changing conditions; available food resources; migratory patterns; physical and behavioral changes; complexity of the challenge; the need for specific information to address specific needs; and managing human/coyote interactions.

Mayor Sahli-Wells invited public comment.

The following members of the audience addressed the City Council:

Shireen Daytona expressed opposition to the proposal as she felt that it would not address the issues; asserted that quality of life had been diminished; she felt it would be fiscally irresponsible to spend money on research; and she expressed support for directing the funds toward Meals on Wheels or a consultant for better fiscal management of City funds instead.

Susan Tillerson discussed her previous comments; the coyote crisis; coyote victims; priorities and actions to address the issue; surveys of fencing along the creek; signage; the need for a timely solution to the problem; she expressed concern about the cost of the study which she felt would effect no change; she discussed community outcome expectations; actual benchmarks to show a constructive result; the belief that resident concerns are not being acknowledged or addressed; and she asked that the City Council take the time to review written correspondence submitted by residents.

Paul Ehrlich felt that the five page proposal did not provide coyote management; noted that at the end of three years recommendations would be formulated; he felt the study ignored the City Council request to protect pets; he asserted that the proposal would take no action to reduce the number of pets killed; he observed that cats were referenced in the proposal, but not dogs; and he discussed teacher recruitment and curriculum change.

Deborah Weinrauch, Friends of Culver City Animals and Humane Society of the United States, thanked the City for their hard work and open mindedness; reported attending the workshop; noted the constant presence of coyotes and the need for tools; and she expressed support for approval of the LMU plan.

Jamie Wallace discussed the regional nature of the issue; the need to work with adjacent communities; the urban wildlife interface; questioned how the study would clarify what can be done in addition to pet owner education and removal of food sources and what additional information would be gained over previous studies; she discussed the recommendation in Torrance for a Coyote Manager; and providing more resources to the Animal Control Officer.

Duane Samples discussed hazing; education; keeping pets indoors; the Audubon Society; impacts of cats on the bird population; he recommended reading *Coyote America* by Dan Flores; discussed unintended consequences of trying to remove all coyotes; he felt the issue was one of management; and he felt it important to keep people involved.

Jeremy Green, City Clerk, read written comments submitted by:

Steve Sutor
Michelle Ford

Discussion ensued between the consultant, staff and Council Members regarding education; removal of food sources; community management of the problem; the need for a regional study; the National Parks Service study; the feeling that money could be more effective if directed toward Animal Control and education; a suggestion to work with Southern California Association of Governments (SCAG) on a coordinated approach; level of the workload for Animal Control and the Police Department during peak times; call volume; overall impacts; collaboration; pooling of data; taking a regional approach to provide effective intervention; concern with the strain on resources; the feeling that removing a species does not work; addressing the interface between humans and coyotes; work in other communities; annual review throughout the three year support; short term and immediate actions; coyote transit points; communities at highest risk; identifying responsible coyotes; intervention; addressing immediate issues; previous and ongoing work with the schools; clarification that curriculum cannot be imposed on teachers; providing free summer institutes; the proactive City response to the issue;

clarification that the proposal is for a management program, not just a study; the need to take action for the approaching season; concern with doing nothing; effective use of resources; the Torrance study; clarification that the project is an applied research project; value for the money spent; cross jurisdictional collaboration; hiring additional staff; concern with use of the word study; training coyotes for coexistence; the situation in Torrance; community frustration; lack of trust in the government; the National Parks project; coordination with other cities; working with Westside Council of Governments; whether LMU would take on duties of the Animal Control Officer or the Police Department; interventions; response to data; reducing calls to Animal Control and the Police Department; wildlife management issues outside the purview of City employees; making management decisions; relieving pressure on institutions to respond to problems; remote game camera systems to gather information; vandalism; finding inexpensive cameras; length of time to identify problem coyotes; constraints with putting cameras on coyotes during breeding system; use of drones; the need for a study to justify removal of the target animal; use of consultants; proximity of LMU; importance of partnerships; the previous crisis in the Culver Crest; providing a strong response; taking time to do things effectively; and the cultural and biological response.

MOVED BY COUNCIL MEMBER LEE AND SECONDED BY COUNCIL MEMBER FISCH THAT THE CITY COUNCIL:

1. APPROVE THE REVISED CITY OF CULVER CITY COYOTE STUDY AND MANAGEMENT PROGRAM PROPOSED BY DR. ERIC G. STRAUSS, PHD FROM THE LMU/LA CENTER FOR URBAN RESILIENCE; AND,
2. AUTHORIZE THE CULVER CITY POLICE DEPARTMENT TO IMPLEMENT THE PROGRAM; AND,
3. APPROVE A THREE-YEAR AGREEMENT WITH LOYOLA MARYMOUNT UNIVERSITY CENTER FOR URBAN RESILIENCE (CURES) FOR THE IMPLEMENTATION OF THE CULVER CITY COYOTE STUDY & MANAGEMENT PROGRAM IN AN AMOUNT NOT-TO-EXCEED \$210,000; AND,
4. APPROVE A BUDGET AMENDMENT TO TRANSFER \$210,000 FROM THE GENERAL FUND RESERVE TO APPROPRIATE \$210,000 FROM THE GENERAL FUND RESERVE TO OPERATING BUREAUS CONTRACTUAL SERVICES (10140200.619800) (A BUDGET AMENDMENT REQUIRES A FOUR-FIFTHS VOTE); AND,

5. AUTHORIZE THE CITY ATTORNEY TO REVIEW/PREPARE ANY NECESSARY DOCUMENTS; AND

6. AUTHORIZE THE CITY MANAGER TO EXECUTE SUCH DOCUMENTS ON BEHALF OF THE CITY.
