### WHEN

Wednesday, December 11, 2019  
6:00 - 7:30 pm

### WHERE

Exceptional Children's Foundation  
5350 Machado Road  
Culver City, CA 90230

The City of Culver City is [updating its General Plan](#)! In coordination with this effort, the City is hosting an exciting [Speaker Series](#) to discuss critical issues affecting the City, the region, and beyond. The entire community is invited to join the discussion!

Please join us on Wednesday, December 11, to hear Gayle Haberman, Tom Kelly, Louise McCarthy, and Stephanie Ramirez present on 'Healthy Communities.' Each speaker works with various populations including seniors, people with disabilities, and residents in low-income communities, and will discuss opportunities to design infrastructure and services to support healthy communities. Join us on December 11 to learn what Culver City can do to become a healthier place to live for all.

[Gayle Haberman](#) is the Director of the [Office of Planning, Evaluation, and Development in the Los Angeles County Department of Public Health](#), Tom Kelly is the Interim Executive Director of the [Westside Regional Center](#), [Louise McCarthy](#) is the President & CEO of the [Community Clinic Association of Los Angeles County \(CCALAC\)](#), and Stephanie Ramirez is the Associate State Director of Community with [AARP California](#).

Complimentary on-site childcare can be arranged in advance. [Please RSVP for this event](#).

If you have a disability and require a reasonable accommodation to participate in this event, please email [lauren.marsiglia@culvercity.org](mailto:lauren.marsiglia@culvercity.org) or call 310-253-5774 no later than Monday, December 9, to discuss your accessibility needs.

With frequent service and direct connection to the Expo Line, a Culver CityBus can make it easy to attend! [Plan your trip online](#) or by calling 310-253-6500. Exceptional Children's Foundation is located a short walk from Culver City Bus lines 2, 3, 4, 6, and 6R, and LA Metro Bus Lines 108 and 110. Those with limited mobility and others arriving by car can access on-site parking accessible from Machado Road.
