Annual Assessment

The CCAD BID is an annually renewable program. Funding to implement the annual work plan is collected via assessments to businesses. Funds may only be used on the approved programs within the CCAD BID.

The Assessment Schedule has three levels based on both the City's business license activity codes as well as the physical location of the businesses within the district.

Business Activity

Those businesses that have business activity codes that reflect "creative" or artistic enterprise, support artistic or creative enterprise in the arts (art, architecture, marketing, entertainment, production, design services, culinary, etc.) or directly benefit from these enterprises (retail, restaurant, etc.) are identified as primary beneficiaries. Those businesses whose activity may not be directly related to the arts but that support the arts/creative businesses or its employees and/or receive some benefit by being part of an "arts" or organized district are classified as secondary beneficiaries. All other businesses in the CCAD will be classified as tertiary. Tertiary beneficiaries, similar to primary and secondary businesses, will derive benefits from the maintenance, beautification and business promotion services provided by the CCAD.

Location

Most of the businesses within the Arts District are located on the Washington Blvd., National Blvd., La Cienega Blvd., Helms Ave., and Wesley St. commercial corridors.

For businesses along Washington Blvd., La Cienega Blvd., National Blvd., Helms Ave., and Wesley St., the levels are as follows:

Primary - \$300 annually

Secondary - \$200 annually

Tertiary- \$100 annually

For those businesses along Smiley Dr., Blackwelder Street, Adams Street, Fairfax Avenue or Perry Drive, a 25% reduced assessment is proposed for the first few years until/when the district can integrate the Arts District brand more fully throughout these areas via banners, lighting and pedestrian improvements.

Primary - \$225 annually

Secondary - \$150 annually

Tertiary - \$75 annually

- 1. Fee for individual business owners with multiple business licenses/operations at the same address will be based on the single highest category reflective of their primary business operation. In the event of a dispute, the CCAD Advisory Board shall review the request and make disposition on the appropriate category.
- 2. Business Owners with multiple business locations within the BID area will be assessed separately at each location.
- 3. Commercial rentals will be assessed for each building location, not each tenant space.
- Multiple independent business owners at the same address will be assessed separately at their respective rates excluding beauty and health service professionals.

The above codes represent known business activity currently within the district. New businesses that are within the district will be assessed on a pro-rata basis. If a business code is not listed above, beneficiary level will be determined by the advisory board or default to a tertiary level until the work plan can be updated.
