AN ORDINANCE OF THE CITY OF CULVER CITY, CALIFORNIA, APPROVING ZONING CODE AMENDMENT P2019-0266-ZCA, AMENDING CULVER CITY MUNICIPAL CODE (CCMC) TITLE 17, ZONING CODE, SECTION 17.210.020 - RESIDENTIAL ZONING DISTRICTS DEVELOPMENT STANDARDS, 17.320.020 - NUMBER OF PARKING SPACES REQUIRED, AND 17.400.065 - MIXED USE DEVELOPMENT STANDARDS, ESTABLISHING STANDARDS AND REQUIREMENTS FOR RESIDENTIAL STUDIO MICRO-UNITS

(Zoning Code Amendment, P2019-0266-ZCA)

WHEREAS, on November 13, 2019 the Planning Commission, after conducting a duly noticed public hearing on City-initiated Zoning Code Amendment P2019-0266-ZCA, amending Culver City Municipal Code (CCMC) Title 17 – Zoning (Zoning Code), Sections 17.210.020 – Residential Zoning Districts Development Standards, 17.320.020 – Number of Parking Spaces Required, and 17.400.065 – Mixed Use Development Standards, establishing standards and requirements for residential Studio Micro-Units, fully considering all reports, studies, testimony, and environmental information presented, the Planning Commission, by a vote of 3 to 0 recommended to the City Council approval of Zoning Code Amendment P2019-0266-ZCA as set forth herein below; and

WHEREAS, on January 13, 2020, after conducting a duly noticed public hearing on Zoning Code Amendment P2019-0266-ZCA, fully considering all reports, studies, testimony, and environmental information presented, the City Council, by a vote of 4 to 0, introduced an Ordinance approving Zoning Code Amendment P2019-0266-ZCA ("Ordinance"), as set forth herein below; and

WHEREAS, on January 27, 2020, the City Council, by a vote of \_\_\_ to \_\_\_ adopted the Ordinance as set forth herein below.

1 NOW, THEREFORE, The City Council of the City of Culver City, California DOES  
2 HEREBY ORDAIN as follows:

3 **SECTION 1.** Pursuant to the foregoing recitations and the provisions of the CCMC,  
4 the following required findings for an amendment to the Zoning Code, as outlined in  
5 CCMC Section 17.620.030.A, are hereby made:  
6

7 **1. The proposed amendment ensures and maintains internal consistency**  
8 **with the goals, policies and strategies of all elements of the General Plan and**  
9 **will not create any inconsistencies.**

10 The proposed Zoning Code Amendment is intended to provide additional housing  
11 options and alleviate housing costs in Culver City. The amendments will improve  
12 the Zoning Code's implementation of the goals, objectives, and policies of the  
13 General Plan. The existing Zoning Code language requires studio units to be a  
14 minimum of 500 square feet in gross floor area. Currently, studio units are subject  
15 to development standards for either multiple-family residential projects or mixed-  
16 use projects. The proposed Zoning Code Amendment will add language to the  
17 Zoning Code to allow residential studio "micro-units" as small as 350 square feet  
18 and would implement distinct standards specific to Studio Micro-Units including  
19 parking, unit mix, common open space, and facility requirements. The proposed  
20 Zoning Code Amendment is consistent with General Plan Goals and Policies.  
21 Therefore, the proposed Zoning Code Amendment does not conflict with the goals,  
22 policies, and strategies of any elements of the General Plan, nor create any  
23 inconsistencies.

24 **2. The proposed amendment would not be detrimental to the public**  
25 **interest, health, safety, convenience or welfare of the City.**

26 The proposed Zoning Code Amendment was drafted in response to the growing  
27 crisis of housing affordability throughout the state. The development standards for  
28 Micro-Units seek to promote housing development and provide a lower cost  
29 alternative housing option for Culver City residents without compromising livability  
nor diversity in housing stock. Micro-Units are not seen as detrimental to health,  
safety, and welfare as they will be built and function to all applicable code  
requirements. Therefore, the Zoning Code Amendment will not be detrimental to  
the public interest, health, safety, convenience, and welfare of the City.

30 **3. The proposed amendment is in compliance with the provisions of the**  
31 **California Environmental Quality Act (CEQA).**

32 Pursuant to Section 15061(b)(3) of the California Environmental Quality Act, the  
33 proposed Zoning Code Text Amendment (P2019-0266-ZCA) is considered

1 exempt because it can be seen with certainty that there is no possibility that the  
2 Project to amend Zoning Code Sections 17.210.020 - Residential Zoning  
3 Districts Development Standards, 17.320.020 - Number Of Parking Spaces  
4 Required, and 17.400.065 - Mixed Use Development Standards, will have a  
5 significant effect on the environment. The Zoning Code Amendment, by itself,  
6 does not result in any physical changes in the environment because it will only  
7 amend the Zoning Code to establish a reduced minimum unit size for studio units,  
8 and development standards specific to "micro-units," and does not result in an  
9 intensification of development beyond what the Zoning Code currently allows.  
10 Furthermore, the proposed Zoning Code Amendment is not in conjunction with  
11 the specific approval of any existing development or use permit applications.  
12 Therefore, any projects seeking approval subsequent to the proposed Zoning  
13 Code Amendment, would be subject to appropriate CEQA analysis at that time  
14 of any such application.

15 **SECTION 2.** Pursuant to the foregoing recitations and findings, the City Council  
16 of the City of Culver City, California, hereby adopts the Ordinance approving Zoning  
17 Code Amendment P2019-0266-ZCA, amending Culver City Municipal Code (CCMC)  
18 Title 17 – Zoning (Zoning Code), Sections 17.210.020 – Residential Zoning Districts  
19 Development Standards, 17.320.020 – Number of Parking Spaces Required, and  
20 17.400.065 – Mixed Use Development Standards, establishing standards and  
21 requirements for residential Studio Micro-Units, as set forth in Exhibits "A" "B" and "C"  
22 attached hereto and incorporated herein by reference.

23 **SECTION 3.** Pursuant to Section 619 of the City Charter, this Ordinance shall  
24 take effect thirty (30) days after the date of its adoption. Pursuant to Sections 616 and  
25 621 of the City Charter, prior to the expiration of fifteen (15) days after the adoption,  
26 the City Clerk shall cause this Ordinance, or a summary thereof, to be published in  
27 the Culver City News and shall post this Ordinance or a summary thereof in at least  
28 three places within the City.

29 **SECTION 4.** The City Council hereby declares that, if any provision, section,  
subsection, paragraph, sentence, phrase or word of this ordinance is rendered or

1 declared invalid or unconstitutional by any final action in a court of competent  
2 jurisdiction or by reason of any preemptive legislation, then the City Council would  
3 have independently adopted the remaining provisions, sections, subsections,  
4 paragraphs, sentences, phrases or words of this ordinance and as such they shall  
5 remain in full force and effect.  
6

7  
8 APPROVED and ADOPTED this 27 day of January 2020.
