

ORDINANCE NO. 2020\_\_\_\_\_

AN URGENCY ORDINANCE OF THE CITY OF CULVER CITY, CALIFORNIA, CONFIRMING THE MARCH 20, 2020 FIRST SUPPLEMENT TO PUBLIC ORDER ISSUED BY THE CITY MANAGER, AS THE DIRECTOR OF EMERGENCY SERVICES, UNDER CITY OF CULVER CITY EMERGENCY AUTHORITY, ORDERING FURTHER PRECAUTIONARY MEASURES TO BE TAKEN ACROSS THE CITY TO PROTECT MEMBERS OF THE PUBLIC AND CITY WORKERS FROM UNDUE RISK OF COVID-19, AND ENFORCEMENT THEREOF.

NOW, THEREFORE, the City Council of the City of Culver City, California, DOES HEREBY ORDAIN as follows:

**SECTION 1. FINDINGS.** The City Council of the City of Culver City hereby finds, determines and declares that:

A. Since February 2020, the City of Culver City has been part of a coordinated response involving the federal Centers for Disease Control and Prevention, the California Department of Public Health, and the Los Angeles County Department of Public Health as a result of the rapidly evolving multinational outbreak of the coronavirus respiratory disease (COVID-19); and

B. As of March 25, 2020, the World Health Organization reports 414,179 confirmed COVID-19 cases globally and 18,440 deaths; as of March 23, 2020 the California Department of Public Health (CPH) reports 2102 confirmed cases and 40 deaths (as of March 25 CPH has not updated its website); and as of March 25, 2020, the Los Angeles County Department of Public Health reports 779 cases and 13 deaths, which includes 7 cases and one death in Culver City. As there is a rapid increase in cases and ongoing significant risk of

1 infection throughout the United States and the State of California, the federal Centers for  
2 Disease Control and Prevention and the California Department of Public Health are  
3 recommending that counties and cities throughout the U.S. continue to actively address the  
4 COVID-19 pandemic and implement aggressive measures to prevent the spread of COVID-19;  
5 and

6 C. Pursuant to the authority granted by Culver City Municipal Code (CCMC)  
7 Section 3.09.020, on March 14, 2020, the City Manager, as the Director of Emergency  
8 Services, issued a Proclamation of Local Emergency due to the outbreak and spread of  
9 Coronavirus (COVID-19), which was ratified by the City Council on March 18, 2020 by  
10 Resolution No. 2020-R015. Such action followed the Los Angeles County Department of  
11 Public Health's and the Chair of the Board of Supervisor's declarations of a local health  
12 emergency and the State of California's declaration of a State of Emergency on March 4,  
13 2020, and the President's declaration of a National Emergency on March 13, 2020; and  
14

15 D. On March 16, 2020, the City Manager, under the authority of CCMC  
16 section 3.09.020, as the Director of Emergency Services, issued a Public Order enacting new  
17 City measures to protect members of the public and City workers from undue risk of COVID-19  
18 (March 16 Order), which was confirmed by the City Council by Urgency Ordinance No. 2020-  
19 006. The March 16 Order was enacted after the City of Los Angeles issued a similar public  
20 order, and in conjunction with the other Westside Cities (Beverly Hills, Malibu, Santa Monica  
21 and West Hollywood), who issued similar orders. The March 16 Order addressed closing bars,  
22 lounges and nightclubs that do not serve food, prohibited dine-in food service for local  
23 restaurants (but permitted delivery and take-out), and closed movie theaters, live performance  
24  
25  
26  
27  
28

1 venues, gyms, fitness studios and the like, and other indoor recreational facilities. The March  
2 16 Order further imposed a moratorium on residential tenant evictions; and

3 E. Also, on March 16, 2020, the Governor of the State of California issued  
4 Executive Order N-28-20, which provides local jurisdictions the authority, based on their  
5 particular needs, to determine additional measures to promote housing security and stability to  
6 protect public health or to mitigate the economic impacts of COVID-19; and to determine that  
7 promoting stability amongst commercial tenancies is also conducive to public health.  
8

9 F. Since that time, supplemental orders have been issued by the State of  
10 California and the Los Angeles County Department of Public Health on March 19, 2020, as  
11 well as a number of our neighboring communities, including the City of Los Angeles.

12 G. On March 20, 2020, the City Manager, under the authority of CCMC  
13 section 3.09.020, as the Director of Emergency Services, issued a First Supplement to Public  
14 Order Public Order enacting further City measures to protect members of the public and City  
15 workers from undue risk of COVID-19 (March 20 Order). The March 20 Order was enacted  
16 after the City of Los Angeles and Los Angeles County Department of Public Health issued a  
17 similar public order. The March 20 Order issued, and incorporated by reference, any and all  
18 orders set forth in *Public Order Under City of Los Angeles Emergency Authority, Subject:*  
19 *SAFER AT HOME*, issued by Los Angeles Mayor Eric Garcetti on March 19, 2020; and  
20  
21

22 H. In addition, the March 20 Order imposed a moratorium on evictions of  
23 commercial tenants for inability to pay due to COVID-19 related circumstances; extended the  
24 deadline for submission of Culver City business taxes by approximately 60 days to June 1,  
25 2020; waived outdoor dining and valet parking license fees; suspended restrictions related to  
26 outdoor business signage (including "sandwich board" signs and temporary banners); relaxed  
27  
28

1 parking restrictions to allow temporary parking in loading zones and special rideshare pickup  
2 zones for the sole purpose of food delivery and pickup, and waived parking fees for the first 15  
3 minutes for all meters and pay machines for on-street parking spaces; and

4 I. Unless this Ordinance takes effect immediately, as provided herein, there  
5 is a high likelihood that, without the City increasing its efforts to actively address the COVID-19  
6 pandemic and implement aggressive measures to prevent the spread of COVID-19, and  
7 absent implementation of the restrictions contained in the March 20 Order, there would be an  
8 immediate threat to the public health, safety and welfare.  
9

10 **SECTION 2. PUBLIC ORDER.** Pursuant to CCMC Section 3.09.020.B.1.h(2),  
11 the City Council hereby confirms the First Supplement to Public Order issued by the Director of  
12 Emergency Services on March 20, 2020, attached hereto as Exhibit A and incorporated herein  
13 as though fully set forth.  
14

15 **SECTION 3. COMMERCIAL TENANT EVICTION MORATORIUM.**

16 A. The commercial tenant eviction moratorium set forth in the March 20  
17 Order shall apply to any eviction notice and unlawful detainer action described in the March 20  
18 Order, regardless of the date it is served or filed, if the tenant has not vacated the rental unit as  
19 of the effective date of this Urgency Ordinance.

20 B. A landlord is further prohibited from charging or collecting late charges or  
21 fees when payment of rent is delayed for the reasons set forth in the March 20 Order.

22 C. The City Manager is hereby authorized to promulgate rules and  
23 implementation measures consistent with the provisions of the March 20 Order and this  
24 Urgency Ordinance. Rules and implementation measures promulgated by the City Manager,  
25 pursuant to the authority provided under this Urgency Ordinance, shall have the force and  
26 effect of law and may be relied upon by parties to determine their rights and responsibilities  
27 under the Public Order and this Urgency Ordinance.  
28

1  
2           **SECTION 4. ISSUANCE OF ADMINISTRATIVE CITATIONS FOR EVICTION**  
3 **MORATORIA VIOLATIONS.** The City, in its sole discretion, may choose to enforce the  
4 provisions of the residential tenant eviction moratorium and commercial tenant eviction  
5 moratorium (collectively, "Eviction Moratorium"), including applicable provisions set forth in the  
6 March 16 Order, March 20 Order, Ordinance No. 2020-006, this Urgency Ordinance, and any  
7 rules and implementation measures promulgated by the City Manager related thereto  
8 (collectively, "Eviction Moratorium Provisions"), through the administrative citation process set  
9 forth in Chapter 1.02 of the CCMC. Notwithstanding any provision in Chapter 1.02 to the  
10 contrary, each violation of any of the Eviction Moratorium Provisions may be subject to an  
11 administrative fine of up to \$1,000. Each separate day, or any portion thereof, during which  
12 any violation of such Eviction Moratorium Provision occurs or continues, constitutes a separate  
13 violation. The City's decision to pursue or not pursue enforcement of any kind shall not affect  
14 a Tenant's rights to pursue civil remedies.

15           **SECTION 5. ENFORCEMENT AUTHORITY.** A violation of any rule, regulation  
16 or order promulgated by the Director of Emergency Services under the authority of CCMC  
17 Section 3.09.020 pertaining to the COVID-19 Local Emergency shall be enforced as a violation  
18 of the CCMC under Chapters 1.01 and 1.02.

19  
20           **SECTION 6. URGENCY MEASURE.** Based on the findings set forth in Section  
21 1, the City Council finds and declares this Urgency Ordinance to be necessary for the  
22 immediate preservation of the public health, safety and welfare and upon that basis has  
23 determined that an urgency measure, pursuant to Government Code Section 36937(b) and  
24 Culver City Charter Section 614, is warranted and shall take effect immediately upon adoption  
25 by a four-fifths vote of the City Council.  
26  
27  
28

1                   **SECTION 7. ENVIRONMENTAL DETERMINATION.** The City Council finds  
2 that this Urgency Ordinance is not subject to the California Environmental Quality Act  
3 ("CEQA") pursuant to CEQA guidelines, California Code of Regulations, Title 14, Chapter 3,  
4 §15060(c)(2) [the activity will not result in a direct or reasonably foreseeable indirect physical  
5 change in the environment] and §15060(c)(3) [the activity is not a project as defined in §15378]  
6 because it has no potential for resulting in physical change to the environment, directly or  
7 indirectly.

8  
9                   **SECTION 8. EFFECTIVE DATE.** Pursuant to Culver City Charter Section 614  
10 and Government Code Section 36937(b), this Urgency Ordinance shall be introduced and  
11 adopted at one and the same meeting and shall become effective immediately. This Urgency  
12 Ordinance shall be of no further force or effect upon the expiration of the Public Order  
13 (including any extensions of the Public Order by the Director of Emergency Services), unless  
14 extended in accordance with Culver City Charter Section 614 and Government Code Section  
15 36937(b).

16  
17                   **SECTION 9. SEVERABILITY.** The City Council hereby declares that, if any  
18 provision, section, subsection, paragraph, sentence, phrase or word of this Urgency Ordinance  
19 is rendered or declared invalid or unconstitutional by any final action in a court of competent  
20 jurisdiction or by reason of any preemptive legislation, then the City Council would have  
21 independently adopted the remaining provisions, sections, subsections, paragraphs,  
22 sentences, phrases or words of this Urgency Ordinance and as such they shall remain in full  
23 force and effect.

24  
25                   **SECTION 10. PUBLICATION.** Pursuant to Sections 616 and 621 of the City  
26 Charter, prior to the expiration of fifteen (15) days after the adoption, the City Clerk shall cause  
27  
28

1 this Urgency Ordinance, or a summary thereof, to be published in the Culver City News and

### **First Supplement to Public Order Under City of Culver City Emergency Authority**

**Issue Date: March 20, 2020**

**Subject: New City Measures to Address COVID-19**

On March 14, 2020, I issued a Proclamation of Local Emergency, as a result of a positive COVID-19 virus case in our City as well as a rapidly growing number of cases throughout Los Angeles County. Since that time, I have ordered a number of additional measures to be taken across the City to protect the public and City workers from an undue risk of contracting the COVID-19 virus. Our precautions over the past weeks and what we will do over the next few days and weeks will affect how well we weather this emergency.

On March 16, 2020, under the authority of Culver City Municipal Code (CCMC) Section 3.09.020, I, as the Director of Emergency Services, issued a Public Order enacting new City measures to protect members of the public and City workers from undue risk of COVID-19 (Public Order). The Public Order included, among other things, (1) a series of temporary restrictions on certain establishments throughout Culver City, in which large numbers of people tend to gather and remain in close proximity; and (2) a moratorium on residential evictions resulting from a tenant's inability to pay rent due to circumstances related to the COVID-19 pandemic. The March 16, 2020 order is attached hereto as Exhibit A and incorporated herein by this reference as though fully set forth herein.

Also, on March 16, 2020, the Governor of the State of California issued Executive Order N-28-20, which provides local jurisdictions the authority, based on their particular needs, to determine additional measures to promote housing security and stability to protect public health or to mitigate the economic impacts of COVID-19; and to determine that promoting stability amongst commercial tenancies is also conducive to public health.

Since that time, supplemental orders have been issued by the State of California and the Los Angeles County Department of Public Health on March 19, 2020, as well as a number of our neighboring communities, including the City of Los Angeles.

The Governor of the State of California has stated that individuals exposed to COVID-19 may be temporarily unable to report to work, due to illness caused by COVID-19 or quarantines related to COVID-19, and individuals directly affected by COVID-19 may experience potential loss of income, health care and medical coverage, and ability to pay

for housing and basic needs, thereby placing increased demands on already strained regional and local health and safety resources, including shelters and food banks.

Loss of income as a result of COVID-19 may inhibit City residents and businesses from fulfilling their financial obligations. As a result, further economic impacts are anticipated, leaving both residential and commercial tenants vulnerable to eviction.

Since the issuance of the initial State, County and City orders, it has become clear that additional efforts are needed to maintain hand hygiene, respiratory etiquette, and social distancing; and preserve the stability of, not only residential tenants, but commercial tenants, during this time of severe economic impacts. To aid in our efforts, under the emergency authorities vested in my office, as the Director of Emergency Services, under CCMC Chapter 3.09, today I am ordering supplemental restrictions be placed on certain establishments and activities throughout our City, while allowing exemptions for essential activities to continue. I am also ordering a moratorium on commercial tenant evictions, to supplement the residential tenant eviction moratorium already in place.

By virtue of authority vested in me as the Director of Emergency Services, pursuant to the provisions of CCMC Section 3.09.020.B.1.h(2), to make and issue rules and regulations on matters reasonably related to the protection of persons, property and the environment as affected by such emergency, I hereby declare the following orders to be necessary for the protection of life and property and I hereby order:

1. I hereby issue any and all orders set forth in *Public Order Under City of Los Angeles Emergency Authority, Subject: SAFER AT HOME*, issued by Los Angeles Mayor Eric Garcetti on March 19, 2020, attached hereto as Exhibit B and incorporated herein by reference as though fully set forth herein.
2. I further hereby order that no landlord shall evict a commercial tenant in the City of Culver City during this local emergency period if the tenant is able to show an inability to pay rent due to circumstances related to the COVID-19 pandemic. These circumstances include:
  - A. Loss of income due to a COVID-19 related workplace closure;
  - B. Child care expenditures due to school closures;
  - C. Health care expenses related to being ill with COVID-19;
  - D. Expenses or loss of income due to caring for a member of the tenant's household who is ill with COVID-19; or
  - E. Reasonable expenditures that stem from government-ordered emergency measures.

Nothing in this Section 2 shall be construed to mean that the commercial tenant will not still be obligated to pay lawfully charged rent as provided below. Tenants will have up to six months following the expiration of the local emergency period to repay any back due rent. Commercial tenants may use the protections afforded in

this Section 2 as an affirmative defense in an unlawful detainer action. The moratorium on evictions imposed by this subsection shall remain in effect during the pendency of the local emergency period, but will not apply in cases where eviction is necessary to address an imminent and objectively verifiable threat to the health and safety of tenant or tenant's employees, landlord or landlord's employees, or neighboring businesses or residents.

Rules and implementation measures regarding the moratorium on both residential and commercial evictions shall be issued separately.

3. The deadline for submission of Culver City business taxes is hereby extended approximately 60 days to June 1, 2020.
4. Outdoor dining license fees are hereby waived for the duration of this supplemental order and any extension thereto.
5. Valet parking license fees are hereby waived for the duration of this supplemental order and any extension thereto.
6. In order to allow businesses to communicate they are open for pick-up and/or delivery of food, applicable CCMC restrictions related to outdoor business signage (including "sandwich board" signs and temporary banners) are hereby suspended for the duration of this supplemental order and any extension thereto; provided, all signs must be placed in such a manner to allow for pedestrian access along the public right-of-way.
7. In order to facilitate food delivery and pickup, the following shall apply for the duration of this supplemental order and any extension thereto:
  - A. Temporary parking shall be permitted in loading zones and special rideshare pickup zones solely for this purpose.
  - B. Parking fees for all meters and pay machines for on-street parking spaces shall be waived for the first 15 minutes.

Any violation of this supplemental order may be enforced under the CCMC, which provides for fines not to exceed \$1,000 or imprisonment not to exceed six months. Each individual officer should use their discretion in enforcing this order and always keep the intent of the order in mind.

This supplemental order is in addition to, and does not supersede nor replace, the March 16, 2020 order. Except as expressly amended herein, all previous orders set forth in the March 16, 2020 order remain in full force and effect.

This supplemental order shall be effective at 11:59 p.m. on March 20, 2020. The March 16, 2020 order and this supplemental order shall remain in effect until 11:59 p.m. on April 19, 2020.

This order may be extended prior to April 19, 2020.

## Public Order Under City of Culver City Emergency Authority

**Issue Date: March 16, 2020**

**Subject: New City Measures to Address COVID-19**

On March 14, 2020, I issued a Proclamation of Local Emergency in relation to the arrival of the COVID-19 virus in our community, and over the past week, I have ordered a number of additional measures to be taken across the City to protect members of the public and City workers from an undue risk of contracting the COVID-19 virus. Our precautions over the past weeks and what we do over the next few days and weeks will determine how well we weather this emergency.

On March 11, 2020, the World Health Organization characterized COVID-19 as a pandemic. The Centers for Disease Control and Prevention advises us that COVID-19 spreads easily from person to person and has issued guidelines recommending that the public adopt policies and routines to enable social distancing wherever possible.

Here in the City of Culver City, we must redouble our efforts to maintain hand hygiene, respiratory etiquette, and social distancing. It is absolutely critical that we as a City do everything we can to slow the pace of community spread and avoid unnecessary strain on our medical system. To aid in our efforts, under the emergency authorities vested in my office, as the Director of Emergency Services, under Culver City Municipal Code Chapter 3.09, today I am ordering that a series of temporary restrictions be placed on certain establishments throughout our City in which large numbers of people tend to gather and remain in close proximity. By virtue of authority vested in me as the Director of Emergency Services pursuant to the provisions of Culver City Municipal Code Section 3.09.020.B.1.h(2), to make and issue rules and regulations on matters reasonably related to the protection of persons, property and the environment as affected by such emergency, I hereby declare the following orders to be necessary for the protection of life and property and I hereby order, effective at 11:59 p.m. tonight, March 16, 2020 until March 31, 2020 at 11:59 p.m., that:

1. All bars, lounges and nightclubs in the City of Culver City that do not serve food shall be closed to the public.
2. Any bars, lounges or nightclubs in the City of Culver City that serve food may remain open only for purposes of continuing to prepare and offer food to customers via delivery service or to be picked up. Dine-in food service is prohibited.

3. All restaurants and retail food facilities in the City of Culver City shall be prohibited from serving food for consumption on premises. Restaurants and retail food facilities may continue to operate for purposes of preparing and offering food to customers via delivery service, to be picked up or for drive-thru. For those establishments offering food pick-up options, proprietors are directed to establish social distancing practices for those patrons in the queue for pick-up.
4. The following are exempt from this Order:
  - A. Cafeterias, commissaries, and restaurants located within hospitals, nursing homes, or similar facilities
  - B. Grocery stores
  - C. Pharmacies
  - D. Food banks
5. Trucks and other vehicles engaged in the delivery of grocery items to grocery stores, when such items are to be made available for sale to the public, are hereby exempt from having to comply with any City rules and regulations that limit the hours for such deliveries.
6. All movie theaters, live performance venues, bowling alleys and arcades shall be closed to the public.
7. All gyms, fitness centers, and art, dance, music studio and the like, cultural venues and facilities, and indoor recreational facilities and uses except as otherwise provided herein, shall be closed to the public.

Any violation of the above prohibitions may be enforced under the Culver City Municipal Code, which provides for fines not to exceed \$1,000 or imprisonment not to exceed six months. Each individual officer should use their discretion in enforcing this order and always keep the intent of the order in mind.

In addition, I hereby issue guidance to the leaders of the City's houses of worship and urge them, in the strongest possible terms, to limit gatherings on their premises and to explore and implement ways to practice their respective faiths while observing social distancing practices.

Finally, I hereby order that no landlord shall evict a residential tenant in the City of Culver City during this local emergency period if the tenant is able to show an inability to pay rent due to circumstances related to the COVID-19 pandemic. These circumstances include loss of income due to a COVID-19 related workplace closure, child care expenditures due to school closures, health care expenses related to being ill with COVID-19 or expenses or loss of income due to caring for a member of the tenant's household who is ill with COVID-19, or reasonable expenditures that stem from government-ordered emergency measures. Nothing in this subsection shall be construed to mean that the tenant will not still be obligated to pay lawfully charged rent as provided below. Tenants will have up to

six months following the expiration of the local emergency period to repay any back due rent. Tenants may use the protections afforded in this subsection as an affirmative defense in an unlawful detainer action. The moratorium on evictions imposed by this subsection shall remain in effect during the pendency of the local emergency period, but will not apply in cases where eviction is necessary to address an imminent and objectively verifiable threat to the health and safety of a member of tenant's household or other residents of the rental property, or to the landlord or landlord's employees.

This order may be extended prior to March 31, 2020.

**MAYOR**

### **Public Order Under City of Los Angeles Emergency Authority**

**Issue Date: March 19, 2020**

**Subject: SAFER AT HOME**

The novel coronavirus pandemic is a global emergency that is unprecedented in modern history. Profoundly impacting our daily lives, it has inspired Angelenos to respond with courage, compassion, wisdom and resolve to overcome this crisis and help each other.

In a short period of time and at an unprecedented scale, residents in every community have embraced urgent social distancing best practices and aggressive hygienic precaution, not just to protect themselves, but to protect others. Angelenos understand with exceptional clarity that there is only one way to get through this difficult moment: together.

The City's recent emergency orders — curtailing large public gatherings; temporarily closing many government facilities; closing theaters, bars and entertainment venues; prohibiting restaurants from serving to dine-in customers while permitting take-out, delivery and drive-thru; and a moratorium on evictions of residential and commercial tenants — have been followed with a willing and generous spirit.

While we have previously taken strong action, now the City must adopt additional emergency measures to further limit the spread of COVID-19.

With this virus, we are safer at home.

Wherever feasible, City residents must isolate themselves in their residences, subject to certain exceptions provided below.

Under the provisions of Section 231(i) of the Los Angeles City Charter and Chapter 3, Section 8.27 of the Los Angeles Administrative Code, I hereby declare the following

orders to be necessary for the protection of life and property in the City of Los Angeles, effective on Thursday, March 19, 2020 at 11:59 PM:

1. Subject only to the exceptions outlined in this Paragraph and Paragraph 5 below, all persons living within the City of Los Angeles are hereby ordered to remain in their homes. Residents of the City of Los Angeles who are experiencing homelessness are exempt from this requirement. The City is working, along with partner government agencies and non-governmental organizations, to make more emergency shelters available for the unhoused residents of our City. City of Los Angeles officials and contracted partners responsible for homelessness outreach shall make every reasonable effort to persuade such residents to accept, if offered, temporary housing or shelter, as the Health Officer of the County of Los Angeles recommends that sheltering individuals will assist in reducing the spread of the virus and will protect the individual from potential exposure by allowing the individual access to sanitation tools. People at high risk of severe illness from COVID-19 and people who are sick are urged to stay in their residence to the extent possible except as necessary to seek medical care.

2. Subject only to the exceptions outlined in this Paragraph and Paragraph 5 below, all businesses within the City of Los Angeles are ordered to cease operations that require in-person attendance by workers at a workplace (including, without limitation, indoor malls and indoor shopping centers, including all stores except for those stores considered essential activities or infrastructure under this Order which are directly accessible to the public from the exterior of the mall or shopping center - the interior of the indoor mall or indoor shopping center shall remain closed to the public). To the extent that business operations may be maintained by telecommuting or other remote means, while allowing all individuals to maintain shelter in their residences, this order shall not apply to limit such business activities.

3. All public and private gatherings of any number of people occurring outside a residence are prohibited, except as to those exempted activities described in this Paragraph and Paragraph 5. This provision does not apply to gatherings within a single household or living unit.

4. All travel, including, without limitation, travel on foot, bicycle, scooter, motorcycle, automobile, or public transit is prohibited, subject to the exceptions in Paragraph 5.

5. Exceptions. People may lawfully leave their residence while this Order is in effect only to engage in the following activities:

(i) First 24 hour allowance. This Order shall not apply, for a 24-hour period following the effective date above, to allow employees and business owners to access to their workplaces to gather belongings or address other administrative needs, so long as social distancing requirements are followed. Such workplaces shall remain closed to the public in accordance with this Order.

(ii) Essential Activities. To engage in certain essential activities, including, without limitation, visiting a health or veterinary care professional, obtaining medical supplies or medication, obtaining grocery items (including, without limitation, canned food, dry goods, fresh fruits and vegetables, pet supplies, fresh or frozen meats, fish, and poultry, any other household consumer products and products necessary to maintain the safety and sanitation of residences and other buildings) for their household or to deliver to others, or for legally mandated government purposes.
