**Twenty-Sixth Supplement to Public Order Under
City of Culver City Emergency Authority**

Issue Date: September 17, 2020

Subject: Extension of Commercial Tenant Eviction Moratorium

On March 14, 2020, I issued a Proclamation of Local Emergency, as a result of a positive coronavirus respiratory disease (COVID-19) case in our City as well as a rapid increase in cases throughout Los Angeles County ("Local Emergency"). Since that time, I have ordered a number of additional measures to be taken across the City to protect the public and City workers from an undue risk of contracting the COVID-19 virus.

During this unprecedented time, various orders have been issued by the State of California and the Los Angeles County Department of Public Health, as well as a number of our neighboring communities, designed to protect both residential and commercial tenants from eviction during the COVID-19 pandemic.

On March 16, 2020, I issued a Public Order enacting new City measures to protect members of the public and City workers from undue risk of COVID-19, which included the imposition of a moratorium on residential tenant evictions ("Residential Tenant Eviction Moratorium" or "RTEM"). On March 27th, the RTEM was expanded in scope and extended to May 31, 2020.

Subsequently, on March 20, 2020, I issued a First Supplement to Public Order, which included protections for commercial tenants against evictions based on an inability to pay rent due to COVID-19 related circumstances ("Commercial Tenant Eviction Moratorium" or "CTEM"). The RTEM and the CTEM are collectively referred to as "Eviction Moratoria."

On April 7, 2020, as economic impacts continued, affecting both residential and commercial tenants and their ability to fulfill their financial obligations, including the payment of rent, I issued a Fifth Supplement to Public Order extending the Commercial Tenant Eviction Moratorium through May 31, 2020 to align with the Residential Tenant Eviction Moratorium.

On April 27, 2020, the City Council considered and discussed concerns of a slow financial recovery once the stay at home orders are lifted and tenants are able to go back to work or reopen a business, as the case may be, and the challenge for tenants to repay unpaid rent that accrued during the Eviction Moratoria ("Back Rent") while keeping up with

current rent due; and the City Council directed the City Manager to extend the period for the payment of Back Rent from 6 months to 12 months, finding there to be a public interest in ensuring tenants have a sufficient recovery period once the Eviction Moratoria have expired, preserving and increasing housing security and stability, and preventing residents from falling into homelessness due to this health crisis.

On April 28, 2020, I issued an Eighth Supplement to Public Order extending the grace period within which a tenant has to repay Back Rent to 12 months after the expiration of the Eviction Moratoria, consistent with the City Council's direction.

On May 11 and May 18, 2020, the City Council discussed possible options for including repayment plan provisions in the Eviction Moratoria, in order to ensure that tenants are not faced with unmanageable "balloon payments" at the end of the 12-month grace period, and risk eviction for nonpayment of Back Rent, and directed the City Manager to include provisions in the Eviction Moratoria to encourage and incentivize a landlord and tenant to negotiate a repayment plan over the 12-month grace period. The respective implementation measures for the Eviction Moratoria were updated accordingly.

Also on May 18, 2020, the City Council considered extension of the Eviction Moratoria and exceptions to the Commercial Tenant Eviction Moratorium for larger companies, and directed the City Manager to issue a public order to (1) extend the Eviction Moratoria to August 31, 2020 or the end of the Local Emergency, whichever occurs earlier; (2) exclude from the CTEM multi-national companies, publicly traded companies, or companies that employ 200 or more employees; and (3) reduce the grace period for the repayment of Back Rent from 12 months to 6 months for commercial tenants that have 10 or more, but less than 200, employees.

On May 19, 2020, I issued a Twelfth Supplement to Public Order consistent with the with the City Council's direction.

On May 26, 2020, the City Council amended the May 19, 2020 Order to strike the provision, which reduced the grace period for the repayment of Back Rent from 12 months to 6 months for commercial tenants that have 10 or more, but less than 200, employees.

In late June and during the month of July, 2020, due to increases in the daily reported COVID-19 cases, hospitalizations, and the testing positivity rates, the Los Angeles County Public Health Officer issued revised orders, in alignment with the California Governor's announcements, requiring the closure of specific activities and business sectors, superseding previous orders (which had allowed many businesses to reopen), to address the serious regression of COVID-19 indicators within Los Angeles County. Such closures of certain higher risk businesses, recreational sites, commercial properties, and activities, where more frequent and prolonged person-to-person contacts are likely to occur, superseded any previous openings permitted in Culver City.

On August 3, 2020, the City Council discussed an extension of the Eviction Moratoria based on concerns that although the City is in a “recovery” period, these recent closures will have a significant financial impact on many individuals and businesses. While some people have been able to go back to work or reopen a business, many others are still out of work and many businesses have been ordered to close once again. As a result, it will be a slow financial recovery and may be challenging for many tenants, both residential and commercial, to begin paying rent on September 1, 2020, if the current Eviction Moratoria expire on August 31, 2020. As such, the City Council directed the City Manager to extend the Eviction Moratoria to September 30, 2020.

On August 4, 2020 I issued a Twenty-Second Supplement to Public Order consistent with the with the City Council’s direction.

On August 31, 2020, the Governor signed AB 3088, the Tenant, Homeowner, and Small Landlord Relief and Stabilization Act of 2020, urgency legislation which took effect immediately. The Act consists of two components, the COVID-19 Small Landlord and Homeowner Relief Act of 2020, which addresses mortgage relief; and the COVID-19 Tenant Relief Act of 2020 (“CTRA”), which addresses non-payment of rent due to COVID-19. Under AB 3088 the City’s Residential Tenant Eviction Moratorium will remain in effect until its current expiration date of September 30, 2020; however, any extension or modification would not become effective until February 1, 2021.

On September 14, 2020, the City Council discussed the status of the Eviction Moratoria and the current financial climate for Culver City’s residential and commercial tenants. Due to the preemption by AB 3088, the City Council did not direct any extension of the Residential Tenant Eviction Moratorium at this time. However, the City Council directed extension of the Commercial Tenant Eviction Moratorium through January 31, 2021.

By virtue of the authority vested in me as the Director of Emergency Services, pursuant to the provisions of CCMC Section 3.09.020.B.1.h(2), to make and issue rules and regulations on matters reasonably related to the protection of persons, property and the environment as affected by such emergency, I hereby declare the following orders to be necessary for the protection of life and property and I hereby order (“Public Order”):

1. The Commercial Tenant Eviction Moratorium shall be extended through January 31, 2021.
2. The CTEM implementation measures shall be amended to be consistent with this Public Order.
3. All other provisions of the Commercial Tenant Eviction Moratorium, not specifically amended herein, shall remain in full force and effect through January 31, 2021.

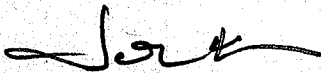

Pursuant to the authority set forth in Ordinance No. 2020-007, each and every violation of the Eviction Moratoria may be subject to an administrative fine of up to \$1,000. Each

separate day, or any portion thereof, during which any violation occurs or continues, constitutes a separate violation.

Any violation of this Public Order may also be enforced under the CCMC, which provides for criminal penalties not to exceed \$1,000 or imprisonment not to exceed six months or both. Individual officers should use their discretion in enforcing this Public Order and always keep the intent of this Public Order in mind.

This Public Order shall be effective immediately and shall remain in effect through January 31, 2021. This Public Order may be superseded, amended, modified, extended or rescinded prior to January 31, 2021.
