Hi

We just received the package from the North Pole! It put the biggest smile on Henry and William's faces!

I just wanted to send a big email thank you to you, the man who was Frosty and everyone who helped put this special experience together. It was so magical and made my boys so happy.

Thank you so much and Happy Holidays!

- Genna

Hi

Thank you so much for such a sweet time with Santa. The girls loved it and Santa was very patient with the ups and downs of our 4yr old. ;o)
We're so grateful for the opportunity this year - thank you!
