

## **Public Events Ad Hoc Subcommittee Report**

March 14, 2021

Committee Members, Chair Haifaa Moammar

Member Anissa Di Vincente

Member London McBride

Member Jared Morgan

We discussed and planned two consecutive events.

1) Los Angeles County Hate Crime Report for 2019

Report presentation will be for 20-30 minutes with allocated time for questions and answers.

Report will cover:

- The total number of hate crimes reported in 2019 (most recent complete data set) and how it compares to previous years
- Hate crimes by motivation (racial, religious, etc.), specific targeted group (African Americans, Latinos, LGBT persons, etc.), criminal offense (vandalism, assault, etc.) and geographic distribution across the county
- Track specific phenomena, such as how many hate crimes were committed by gang members or have evidence of white supremacist ideology
- The database manager will pull specific data for Culver City and examples of recent hate crimes committed in your city; specifically, African Americans, People of Color, Asian Americans and Transgender.

There will be a brief discussion on resources to help; define what a Hate Crime is and present Know Your Rights pamphlet etc.

Date and time: any evening except for Thursday (County liaison coordinator of Anti Hate Crimes is not available) \*Any Friday during the month of April will be the preferred day

\*They are happy to present at every regular committee meeting.

## 2) Juneteenth Commencement

We will be having an educational teach in event, on the anniversary date, Saturday, June 19, 2021. Ms. Huntley, will reach out to Cecily Bingener who assisted the City in planning these teach-ins. She is an African American Culver City resident, mom of 4 CCUSD kids, & elementary teacher for the Inglewood Unified School District. We as a committee will discuss the event layout with Ms. Bingener.

A final note, an interpreter for Spanish translation during the web meetings for the above events will be welcome.

Respectfully submitted by,

Haifaa Moammar

Chair, Public Events Ad Hoc Subcommittee
