

The City of Culver City Celebrates National Water Safety Month! Join us each week as we post new informative videos to help keep you safe in and around the water. Follow the videos up with a fun Scavify quiz - Links provided on our facebook page below the video. Answer the most questions correctly and win a prize!

Round out the month with a Scavenger Hunt taking you to visit all of the water features Culver City has to offer and finish the day by taking the plunge into our recreational swim opener with Culver City Swag Bags for all who register.

## WEEK 1

The Drowning Chain of Survival

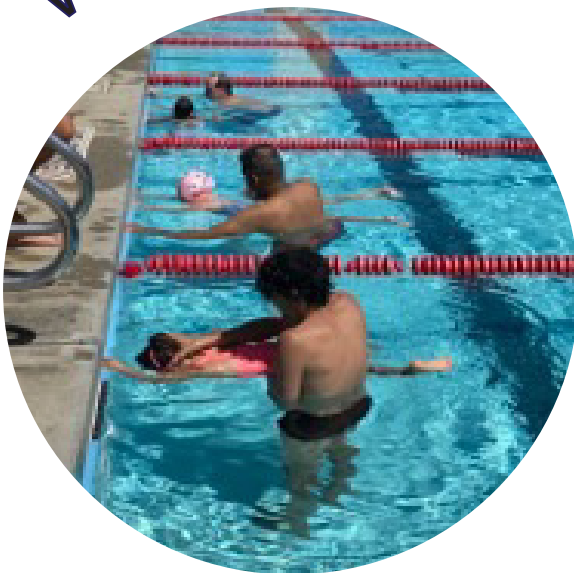

## WEEK 2

CPR Demo

## WEEK 3

Learn to Swim

## WEEK 4

Stay Safe  
in and around  
the water- where  
ever you find it!
