7 **WHEREAS**, on March 17, 2020, California Governor Newsom issued Executive
8 Order N-29-20, which suspended and modified the teleconferencing requirements under the
9 Brown Act so that legislative bodies may hold public meetings via teleconference as long as the
10 meeting agenda identifies the teleconferencing procedures to be used; and

11 **WHEREAS**, on June 11, 2021, Governor Newsom issued Executive Order N-08-
12 21, which extended the provision of N-29-20 concerning the conduct of public meetings through

25 agency’s control which prevents members of the public from offering public
26 comments, until public access is restored;
- 27 • Prohibiting the legislative body from requiring public comments to be
28 submitted in advance of the meeting and specifying the legislative body

4 conducted by teleconference but requires agendas be posted at all teleconference locations,
5 each teleconference location shall be identified in the notice and agenda of the meeting or
6 proceeding, and each teleconference location shall be accessible to the public; and

7 **WHEREAS**, Government Code Section 54953(e)(3)(A-B) provides an alternative
8 to having public meetings in accordance with Government Code Section 54953(b)(3) when City

25 than in person; and

26 **WHEREAS**, the proposed action is exempt from the requirements of the California
27 Environmental Quality Act (CEQA) in accordance with CEQA Guidelines Section 15378(b)(5),

24 Manager is authorized to continue to implement teleconferenced public meetings for all the
25 City's Commissions, Boards and Committees pursuant to Assembly Bill 361.

26 **SECTION 4.** Finds that the proposed action is exempt from the requirements of
27 the California Environmental Quality Act (CEQA) in accordance with CEQA Guidelines Section
