Action Items

Item A-1

Reports were provided by the Committee's subcommittees.

Entertainment Subcommittee Report

Bob Wayne reported the Entertainment Subcommittee was pleased

overall with the performers. Clock on stage was helpful, recommend it again for next year. Opening ceremonies went well, also recommend same format for next year. Pleased with the display of artwork for student Fiesta art contest. The Fiestapalooza lacked variety in the teen band acts. A decreased crowd on Saturday was observed and potentially attributed to major boxing match on that same evening. Recommend more restroom directional signage at Entertainment Tent to help guests locate the restrooms.

Sponsorship Subcommittee Report

Pleased with the sponsor contributions this year. Budgeted target of \$15K was exceeded for 2017.

Volunteers Report (from PRCS staff Jill Thomsen)

Overall good volunteer turnout and sufficient number of volunteers (70) to cover tasks. Recommend bike valet signage to direct patrons to Teen Center to retrieve bikes after hours. Recommend lost and found signage and after hours procedures for handling, consolidating and storing lost and found items.

Vendors Report (from PRCS staff Daniel Jassim)

Management of vendors went smoothly overall. Some food booth vendors again complained about having food trucks at the event, although this year there were two less food booths and 1 less food truck. Committee noted that unlike food booths most food truck vendors accepted credit cards, which made transactions more convenient. Some non-food vendors gave positive feedback again for the expanded vendor booth layout.
