THE BICYCLE AND PEDESTRIAN ADVISORY COMMITTEE PASSED A MOTION APPROVING THE 2019 BPAC MEETING SCHEDULE (ABSENT MEMBERS DIGA JACBSSEN AND KOPLINKA-LOEHR) .

o0o

Item A-2

Bicycle and Pedestrian Action Plan: Opportunity Corridors

Discussion ensued between staff and Committee Members regarding restriping; safe crossings; neighbor input; West LA College; accidents at Ocean Drive and Overland; lane shifting and narrowing; the large development on Jefferson; combining the bikeway with a bus stop; research and development; two-way cycle tracks; slip lanes; the conceptual plans; physical barriers; safety; road diets; road augmentation; speed reductions; Bike Boulevards; painted curb extensions; medians; roundabouts; sightlines;

reducing bicycle/auto conflicts; traffic circles; drought resistant plantings in the medians; and materials used.

Chair Leist invited public input.

The following member of the audience addressed the Committee:

Jim Shanman discussed the Farragut and Overland intersection; making improvements; the pedestrian gate; adding a stop sign on Jackson; the need for a crosswalk; the proposed traffic circle; signage for the Bike Boulevard; curb extensions; and creating an alternative route to Ballona Creek.

Additional discussion ensued between staff and Committee Members regarding opening up different routes; slowing down neighborhood cut-through traffic; concern with more traffic being transferred onto Braddock; sharrows; the entrance; and design solutions.

o0o

Item A-3

Bicycle and Pedestrian Action Plan: Vision Zero

Sanjana Mada, Bicycle and Pedestrian Coordinator, introduced the item.

Chelsea Dyess, Fehr & Peers, discussed Vision Zero; the analysis; collision data; the High Injury Network; collision profiles; counter measures; mobility corridors; addressing drunk driving; complicated intersections; education; targeting the message to local conditions; clustering; design interventions; risk mitigation; collisions related to left-turning vehicles at non-signalized intersections; development of an action plan; bike signals; Class 4 Bicycle Facilities; countermeasures to address specific problems identified in the 8 Collision Profiles; the mobility corridors; fieldwork; the draft outline; the action plan; limitations of collision data; and next steps in the process.

Chair Leist invited public participation.

No cards were received and no speakers came forward.

Discussion ensued between staff and Committee Members regarding unsafe speeds; the subjective nature of collision data; the hybrid beacon; the pedestrian beacon; visibility; raised walkways; curb extensions; pedestrian activated crosswalks; familiarity; Jefferson Boulevard; reduction of speed limits; state mandates; speed surveys; school zones; enforcement; directionality of collisions; a suggestion to remove parking on the east side of Jefferson; equalizing space; backlash against road diets; street trees; Federal Highway Administration approved countermeasures; the timeline; the Bicycle and Pedestrian Action Plan; the draft outline; timing; pedestrian buttons; the formula that determines the length of time needed for a pedestrian to cross a street; signal synchronization and timing; state formulas; and justification needed to repurpose a lane.

o0o

Public Comment for Items NOT On the Agenda

Chair Leist invited public comment.

No speakers came forward and no cards were received.

o0o

Receipt of Correspondence

Sanjana Mada, Bicycle and Pedestrian Coordinator, indicated that no correspondence had been received.

o0o

Items from Bicycle and Pedestrian Advisory Committee Members/Staff

Sanjana Mada, Bicycle and Pedestrian Coordinator, asked that Committee Members provide items two weeks in advance of meetings to allow for sufficient time to consult with the engineers; she discussed upcoming agenda items; and she indicated that sample bylaws would be provided to Committee Members for review.

Discussion ensued between staff and Committee Members regarding City email accounts and correspondence protocol.

Member Montgomery discussed subcommittee meetings; progress made; he expressed support for the subcommittee process; and he suggested the formation of more subcommittees.

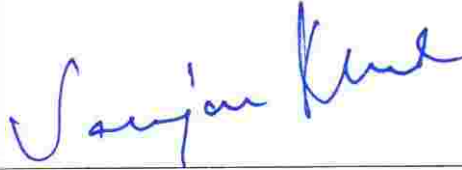

Discussion ensued between staff and Committee Members regarding restriping Overland after the repaving project.

o0o

Adjournment

There being no further business, at 9:10 P.M., the Bicycle and Pedestrian Advisory Committee adjourned its meeting to a regular meeting on Thursday, January 17, 2019 at 6:00 P.M.
