Public Hearings

Item PH-1

CC - PUBLIC HEARING: Adoption of a Resolution Approving an Exception to Culver City Municipal Code Subdivision Design Standard Requiring Lot Frontage along a Dedicated Public Street as Part of a Planning Commission approved Tentative Parcel Map that Allows the Development of a 2-Unit Townhome Style Subdivision at 4116 Higuera Street in the Two-Family Residential (R2) Zone

MOVED BY COUNCIL MEMBER LEE, SECONDED BY COUNCIL MEMBER FISCH AND UNANIMOUSLY CARRIED, THAT THE CITY COUNCIL RECEIVE AND FILE THE POSTING OF THE PUBLIC HEARING NOTICE.

William Kavadas, Assistant Planner, provided a summary of the material of record.

Discussion ensued between staff and Council Members regarding similar projects in the pipeline; streamlining the process; clarification that exceptions are required to come before the City Council; the need to approve the Tentative Parcel Map; building out the R2 zoning to R2 density; the need to amend the code to eliminate the exceptions; holding each lot to private ownership rather than common ownership; housing prices and the desire for homeownership; and establishing basic standards that incorporate concerns raised by residents.

MOVED BY VICE MAYOR SAHLI-WELLS, SECONDED BY COUNCIL MEMBER LEE AND UNANIMOUSLY CARRIED, THAT THE CITY COUNCIL OPEN THE PUBLIC HEARING AND RECEIVE PUBLIC COMMENT.

Mayor Small invited public comment.

The following members of the audience addressed the City Council:

David Hauptman expressed opposition to granting exceptions in a piece-meal fashion; he felt that the issue should be considered as part of the General Plan process; noted that this is a different definition of R2 than he had bought into in the Rancho Higuera neighborhood; discussed splitting ownership; the affects of changing the parameters on property values; noted that two years had been spent studying permit parking and he felt this to be much more important; discussed substandard lots;

unanswered questions; input from the Fire and Police departments; neighbor input; the reputation of the City as being difficult to build in; concern with catering to the developer; and he asked that lot divisions be stopped until further study has been done.

Holly Connors, Rancho Higuera Neighborhood Association, discussed insufficient time to have a meeting about the subject; providing the time and opportunity for people to feel heard; concern with setting a precedent; changes to the character of the neighborhood and property values; and she asked that the matter be addressed as part of the General Plan.

MOVED BY VICE MAYOR SAHLI-WELLS, SECONDED BY COUNCIL MEMBER LEE AND UNANIMOUSLY CARRIED, THAT THE CITY COUNCIL CLOSE THE PUBLIC HEARING.

Sol Blumenfeld, Community Development Director, discussed concerns raised including the General Plan Update; the review process; densities and zoning; simplification of the process; additional development restrictions; halting construction; project density and aesthetics; conformance to multi-family design guidelines; ownership issues vs. design issues; effects on property values; creation of a more attainable ownership opportunity; Police and Fire department review of discretionary permits; clarification that the density does not change; standard review; difficulty of development in Culver City; maintaining neighborhood character; state mandates; and the process.

Discussion ensued between staff and Council Members regarding the exception required for the stem lot condition; different ownership conditions; by-right building vs. building that requires exceptions; differences in ownership; condominium development; creating more comprehensive standards; the General Plan process; mansionization in R2 neighborhoods; proximity to public transit; SB50; creating ownership opportunities; engaging in a thorough review and allowing for public input; changing ownership structure of the lots; spot zoning; putting a process in place before making such large changes; elimination of single family zoning in Minneapolis; increasing housing diversity without changing the footprint; providing choices; negative characterization of developers; direction and commitment to put R2 in mansionization regulations; massing; encroachment; building footprint vs. the number of families in a neighborhood; 1920s bungalows that would not be allowed to be built under current regulations; the need for thoughtful,

inclusive neighborhood discussion; the affordability problem; who benefits; and agreement to add a study of mansionization in R2 lots to the work study program for the next year.

François Bar, owner, provided background on the lot and the project; discussed concern with providing housing for their family; intent of the division; the proposed LEED Gold, Net Zero project; allowing for flexibility; the need to secure the subdivision before building; proximity to the neighbors; efforts to minimize the impact on the neighbors; and the original plans to build a larger house.

Discussion ensued between staff and Council Members regarding requiring LEED Gold and Net Zero for subdivided lots; concern that a large number of subdivisions will come before the Council while the issue is being studied; a suggestion to put the item in the work plan and hold off on subdivision exceptions until it is clear how to move forward; weighing all aspects of the change to the principles; mansionization vs. subdivision; interim measures for R2; clarifying the definition of neighborhood character; the small lot subdivision ordinance in Los Angeles; creating density without changing the character of the neighborhood; the missing middle: housing at the high end and the lower end; providing a choice of ownership for middle-income families; proximity to the train station; parcels subject to redevelopment; guiding management of subdivision in the future; acknowledgement that the project could have been built without the same level of review if the ownership change had not been included; providing ownership at a lower price point; Planning Commission consideration; and concern with changing the ownership structure.

MOVED BY COUNCIL MEMBER LEE, SECONDED BY VICE MAYOR SAHLI-WELLS AND UNANIMOUSLY CARRIED, THAT THE CITY COUNCIL: ADOPT A RESOLUTION APPROVING AN EXCEPTION TO A SUBDIVISION DESIGN STANDARD (CCMC SECTION 15.10.700.C) REQUIRING LOT FRONTAGE ALONG A DEDICATED PUBLIC STREET OR ACCESS TO A DEDICATED PUBLIC STREET WITH THE "STEM" OF A "FLAG LOT" IN ORDER TO ALLOW CONSTRUCTION OF A 2-UNIT TOWNHOME STYLE SUBDIVISION.
