RECOMMENDATION:

Staff recommends the City Council adopt an Ordinance (Attachment No. 1) that was introduced August 14, 2017, approving Zoning Code Amendment P2017-0100-ZCA, amending Zoning Code Sections 17.400.100 - Residential Uses - Accessory Residential Structures, 17.400.115 - Temporary Storage Containers, and Chapter 17.520 - Temporary Use, Special Event, and Temporary Event Permits to allow changes pertaining to the standards and requirements for portable storage sheds and temporary storage containers.

BACKGROUND/DISCUSSION:

As part of a broader review of the Zoning Code, Code Enforcement Division and Current Planning Division staff identified zoning code sections that require modification including those pertaining to “accessory residential structures”, “portable storage sheds” and “temporary storage containers”. These proposed amendments along with several others were presented previously and included in the Community Development Department, Planning Division Work Plan for the 2017-2018 Fiscal Year. The proposed amendments are aimed at making sections internally consistent, providing clarification, and facilitating certain types of requests, as explained in the previous staff reports.

On June 14, 2017, after conducting a public hearing, the Planning Commission adopted Resolution No. 2017-P010 (Attachment No. 2) recommending to the City Council approval of Zoning Code Amendment P2017-0100-ZCA, related to the standards and requirements for portable sheds in residential zones and temporary storage containers on private property. The Planning Commission requested a few additional changes in order to address existing concerns regarding the height and number of portable storage sheds.

At the City Council meeting of August 14, 2017, the City Council unanimously introduced the proposed Ordinance approving Zoning Code Amendment P2017-0100-ZCA, amending Zoning Code Section 17.400.100 - Residential Uses - Accessory Residential Structures, Section 17.400.115 - Temporary Storage Containers, and Chapter 17.520 - Temporary Use, Special Event, and Temporary Event Permits, as recommended by the Planning Commission. The proposed Ordinance is now presented for adoption by the City Council.

ENVIRONMENTAL REVIEW:
