RECOMMENDATION

Staff recommends the City Council approve a contract with B C Traffic Specialist in the amount of \$48,261 for the Citywide Striping Maintenance Project.

BACKGROUND/DISCUSSION

The existing striping on many of the major arterial streets are faded and need to be repainted. The proposed Project includes repainting (one coat) over the existing lane lines and markings at most of our major arterial streets. The Project will utilize glass beads in the paint that allows the motorist to see the pavement line markings more clearly at night and in wet conditions.

The following arterial streets are scheduled for striping:

1. Bristol Parkway (Centinela Ave to Hannum Ave)
2. Canterbury Drive (Hannum Ave to Green Valley Circle)
3. Doverwood Drive (Green Valley Circle to Bristol Parkway)
4. Fox Hills Drive (Hannum Ave to Green Valley Circle)
5. Green Valley Circle (Centinela Ave to Sepulveda Blvd)
6. Hannum Avenue (Slauson Ave to Playa Street)
7. Hayden Avenue (National Blvd to Higuera Street)
8. Higuera Street (City Boundary to Washington Blvd)
9. Jefferson Avenue (405 Freeway to Hannum Ave)
10. Jefferson Avenue (City Boundary to Overland Ave)
11. Lucerne Avenue (Higuera Street to Duquesne Ave)
12. Overland Avenue (Jefferson Blvd to Sawtelle Blvd)
13. Overland Avenue (Washington Blvd to Jefferson Blvd)
14. Playa Street (Hannum Ave to Sawtelle Blvd)
15. Sepulveda Boulevard (City Boundary North to City boundary)
16. Sepulveda Boulevard (City Boundary to Jefferson Ave)
17. Sepulveda Boulevard (Slauson Ave to Sawtelle Blvd)
18. Slauson Avenue (Jefferson Ave to City Boundary)
19. Washington Boulevard (Culver Blvd to Overland Ave)
20. Washington Boulevard (National Blvd to Culver Blvd)
21. Washington Boulevard (Fairfax Ave to National Blvd)
22. Washington Boulevard (Sepulveda Blvd to Washington Place)
23. Washington Boulevard (Washington Place to Overland Ave)
24. West Side of La Cienega Blvd (City Boundary)

As this Project involves the repair and maintenance of public streets, is it not considered a Public Works Project, as defined in CCMC Section 3.07.010; therefore it is not subject to the bidding requirements set forth in CCMC Section 3.07.090. In addition, CCMC Section 3.07.085.C.6, provides an exception from the bid process for repair and maintenance service of City-owned real property, provided competitive quotes are obtained.

On May 9, 2017, three contractors were contacted and responded with the following quotes:

<u>CONTRACTOR</u>		<u>BID AMOUNTS</u>
1	B C Traffic Specialist	\$48,261
2	PCI	\$53,061
3	Superior Pavement Markings, Inc.	\$60,231

Staff reviewed the three contractor quotes and determined B C Traffic Specialist submitted the lowest quote. The contractor's state license, and worker's compensation insurance were reviewed and determined to meet City requirements.

B C Traffic Specialist has completed several similar projects all with satisfactory performance. Staff recommends awarding the construction contract to B C Traffic Specialist for the construction of the Citywide Striping Maintenance Project.

The maintenance project is scheduled to begin in July 2017 and is expected to be completed by August 2017. The contractor is required to conduct the restriping during night time construction hours in order to minimize impacts to traffic.

FISCAL ANALYSIS

There is sufficient funding included in the City Council Adopted Budget for Fiscal Year 2016/2017 (42080000.730100.PS005) to fund this contract.

Proposed Project Budget	
Funding Source	Amount
PS-005 Arterial Streets Pavement	\$48,261
Total =	\$48,261

Estimated Project Expenses	
B C Traffic Specialist	\$48,261
~10% Construction contingency	\$4,826
Total Estimated Project Expense	\$53,087
