BACKGROUND/DISCUSSION

Beginning in Fiscal Year 2014-2015, the City Council instituted an enhanced budget process. This process provides additional opportunities for the public to provide input into the budget document. Further, the City Council now specifically invites members of the City's Commissions, Committees, and Boards to provide comments during the City's budget process.

On January 9, 2024, the PRCS Commission reviewed the Parks, Recreation and Community Services Department Fiscal Year 2023-2024 Budget, and discussed potential topics for the PRCS Commission's Fiscal Year 2024-2025 budget recommendations to the City Council. There was consensus that PRCS Commission Member Palvi Mohammed and Member William Rickards would draft the correspondence to the City Council. The draft correspondence is provided as Attachment 1.

Fiscal Year 2023-2024 PRCS Commission Budget Recommendations

As noted in the January 9, 2024, staff report, the PRCS Commission Fiscal Year 2023-24 Budget Recommendations were as follows:

- Park and Park Facilities Master Plan - \$600,000 (One-Time Cost): "Funding for a Parks Master Plan as a roadmap to ensure that PRCS clearly understands the community's needs, that the needs of all areas in the department are assessed, and that there is clear direction to implement improvements." *The PRCS Department requested and received a total of \$750,000 in CIP PP023 (Parks Master Plan).*
- Maintenance Worker I - (\$85,900; Ongoing Cost): "The addition of a Maintenance Worker I positions will allow PRCS to be proactive, instead of reactive, to turf maintenance needs and implement improvements." *This was requested but not funded in Fiscal Year 2023-2024.*
- Investment in Culver City Park Improvements - (\$800,000; Ongoing Cost): "Funding is needed to repair fields to be usable for organized play." *The PRCS Department requested and received a total of \$800,000 in CIP PP013 (Culver City Park Fields).*
- The PRCS Commission also requested that recreational and park assets be included in the Culver City Asset Replacement Fund (ARF). Items mentioned included park maintenance and facilities equipment, bleachers, courts equipment and park playground parts. This request was mentioned to the City Manager.

Carryover funds for general fund enhancements in the amount of \$114,170 were approved. The department is currently waiting for mid-year requests to be approved by City Council. Here is a brief overview of the status of the Fiscal Year 2023-2024 PRCS Department Budget:
