RECOMMENDATION

Staff recommends that the Equity and Human Relations Advisory Committee (EHRAC): (1) receive a report from the Educational Materials Ad Hoc Subcommittee; (2) if so desired, discuss and consider approval of the report's recommendations; and (3) determine next steps as deemed necessary.

BACKGROUND/DISCUSSION

EHRAC originally developed a Bystander Intervention Training document, and subsequently revisited the document after discussions with staff to shape the document into an informational pamphlet entitled, "Recognizing and Preventing Harassment and Discrimination," for the purposes of public distribution, as a part of the anti-hate speaker series by EHRAC.

The document was submitted to City Council for approval at the June 12, 2023; however, it was not considered by City Council on that date. Instead, it was determined that the document needed to be re-evaluated for additional information that should or could be included to span the spectrum of behavior from microaggressions observed or comments heard as a bystander, to harassment and discrimination where there is civil liability, and to harassment and discrimination addressed through the Penal Code (such as hate crimes).

Accordingly, at the June 27, 2023, Meeting, staff brought the project back to EHRAC for continued discussion, recommendations, and modification.

At the September 26, 2023, Regular Meeting, there was consensus among EHRAC members to hear a report from the Educational Materials Ad Hoc Subcommittee.

At the January 23, 2024, Regular Meeting, the Educational Materials Ad Hoc Subcommittee provided a verbal report citing a plan to direct people to educational resources, encouraging people to report hate crimes, and utilizing the City's social media platforms to disseminate information.

At the February 27, 2024, Special Meeting, there was consensus among EHRAC members to receive a report from the Educational Materials Ad Hoc Subcommittee at the April 2024 Regular Meeting.

At the April 23, 2024, Regular Meeting, the Educational Materials Ad Hoc Subcommittee reported that they were unable to report at that time and requested to push the item to the May 28, 2024, Special Meeting. EHRAC achieved consensus to hear the report from the Educational Materials Ad Hoc Subcommittee on May 28, 2024.
