Confirmation of Eligibility Requirements

Upon receipt, the City Clerk's Office reviewed each application to confirm whether the applicant represented that they met the minimum eligibility requirements.

With respect to commission appointments, the Culver City Municipal Code (CCMC) provides certain general provisions related to members and those seeking appointment to Commissions. CCMC Section 3.03.005 provides in pertinent part:

“Commissioners shall be residents of the City who are lawfully registered voters of the City, none of whom shall hold any paid seat or employment in the City Government. Applicants for appointment to any Commission seat must have been lawfully registered voters of the City for the thirty (30) days immediately preceding the filing of their application. No person may serve on more than one (1) Commission at the same time.”

Please note that the Local Business Representative of the Bicycle and Pedestrian Advisory Committee, the Business seat for the Finance Advisory Committee, the Landlord seat for the Landlord Tenant Mediation Board, the Disability Advisory Committee, and the Fiesta La Ballona Committee positions do not require applicants to be Culver City residents.

Any seats not filled by the City Council this evening will be advertised again during the next annual cycle, unless City Council determines otherwise.

DISCUSSION:

Following are summaries of those who submitted applications. Individuals who have applied to multiple bodies will have those bodies listed in order of preference next to their names and those marked with a number sign (#) attended a special City Council meeting on June 4th, which was scheduled for interviews of potential candidates. Those marked with two asterisks (**) submitted applications after the May 23, 2018, 5:00 PM deadline.

It should be noted that there were several applicants for bodies that require Culver City residency and/or Culver City voter registration who did not meet either or both of those requirements. They received e-mails or phone calls from the City Clerk’s Office that indicated that they were not eligible for appointment.

UNFILLED VACANCIES

Staff requests that City Council provide direction on how to fill any vacancies that may exist after this process or that may occur throughout the year. Options include contacting those un-appointed applicants who applied to the specific body that has a vacancy, contacting all un-appointed applicants to determine interest in the vacancy, holding an electronic recruitment process, and/or doing a full recruitment.

FISCAL ANALYSIS

Costs for advertising the vacancies in the newspaper and on social media totaled \$2,946.90. Costs in preparation of the "CBC Meet & Greet" held on May 3, 2018 totaled \$132.53. The new appointee to the Landlord-Tenant Mediation Board, will need 30 hours of professional mediation training at a cost of \$625.
