RECOMMENDATION

Staff recommends the City Council (1) waive competitive bidding procedures; and (2) approve a short-term, month-to-month, professional services agreement with BrightView Landscapes, LLC, aka Marina Landscape Maintenance, Inc., for landscape maintenance services until such time as a long-term agreement has been approved by the City Council through the Request for Proposals (RFP) Process.

BACKGROUND

In July 2009, after a competitive bid process, the City entered into a contract with Marina Landscape to provide landscape maintenance services for the City's parks, medians, public facilities, and streetscape areas. This two-year contract expired June 30, 2011, and was then extended for a three year period through June 30, 2014. On June 23, 2014 City Council approved another two year extension through June 30, 2016. As of July 1, 2017 Marina Landscape has

continued to provide landscape maintenance services on a month to month basis until the bid process is completed.

It is anticipated that that staff will come back to the City Council with a recommendation for approval of a long-term agreement for landscape maintenance services in April 2018. Recently, Marina Landscape Maintenance, Inc., informed the City that the business is now operating under the name BrightView Landscapes, LLC. Therefore, staff is recommending that the City Council approve a short-term, month-to-month, professional services agreement with BrightView Landscapes, LLC, aka Marina Landscape Maintenance, Inc., for landscape maintenance services until such time as a long-term agreement has been approved by the City Council through the Request for Proposals (RFP) Process.

In general, Culver City Municipal Code (CCMC) Section 3.07.085 exempts professional services from the formal competitive bid process. However, pursuant to CCMC Section 3.07.050, where the same consultant has been utilized for a period of five years, the formal bidding procedures

shall apply unless waived by the City Council. In this case, as discussed above, City staff is requesting that the City Council waive this requirement for the reasons stated above, in accordance with CCMC Section 3.07.075.E.3.

FISCAL ANALYSIS

There are currently sufficient funds for a short-term, month-to-month, professional services agreement with BrightView Landscapes, LLC in the City Council Adopted Fiscal Year 2017 / 2018 Budget.
