### **RECOMMENDATION**

Staff recommends the City Council adopt a resolution initiating proceedings to levy and collect annual assessments for the West Washington Benefit Assessment District No. 1 and order the preparation of the Engineer's Report thereon for Fiscal Year 2019/2020.

### **BACKGROUND/DISCUSSION**

The City assisted in the formation of Benefit Assessment Districts on Washington Boulevard between Rosabell Avenue and Beethoven Street by agreeing to construct landscaped medians, if on-going maintenance was funded through a property owner assessment district. The West Washington Benefit Assessment District No. 1 (District 1) was approved by vote of the property owners in April 2009. It is now necessary to initiate the proceedings to levy the District 1 assessment for Fiscal Year 2019/2020.

Pursuant to CCMC Sections 15.01.070.D and 15.01.070.E, should the City Council adopt the

proposed Resolution, the Director of Public Works/City Engineer shall prepare (or cause to be prepared) the Engineer's Report, which outlines the district's plans and specifications for the improvements or services, an estimate of the costs, a diagram for the district and the proposed assessments. Upon its completion, the Engineer's Report shall be filed with the City Clerk, and the City Council shall be presented with a Resolution of Intention declaring the City Council's intent to levy assessments for Fiscal Year 2019/2020 and set the date, time and place for the public hearing, after which the City Council will consider levying the assessments.

### **FISCAL ANALYSIS**

Both the costs to prepare the Engineer's Report and staff time related to the administration of District 1 are charged to the assessment district. These costs are estimated to be approximately \$4,500 and sufficient funds have been collected to support these costs.
