BACKGROUND / DISCUSSION

Annual Appropriation Limit:

Proposition 4, approved by the voters on November 6, 1979, added Article XIII B to the State Constitution. Article XIII B places an appropriations limit on the State and local governments and requires them to establish their appropriations limit by resolution each year at a regularly scheduled meeting or a noticed special meeting.

As adopted in 1979, Article XIII B provided that FY 1978/1979 would be considered the “base year” used to calculate the appropriations limit. Article XIII B was amended by the voters in 1990 through the approval of Proposition 111, which provided FY 1986/1987 would become the “base year.” Each subsequent year, the total annual appropriations subject to the limit may not exceed the appropriations limit for the prior year adjusted for changes in the cost-of-living and city or county population.

FY 2021/2022 Budget

The City Manager’s/Executive Director’s Proposed Budgets for FY 2021/2022 were presented to the City Council and Boards on Monday, May 10, 2021. Since that time, City Council held Special Meetings on May 17 and 18, 2021, to review the associated budget requests and allow for public input. These meetings were in addition to the opportunities provided to the City’s various Commissions, Committees, and Boards to provide input on the City Manager’s Proposed Budget.

The City Council also called two Special Meetings in March 2021 to review the work plans of each of the City’s Departments and allow for additional public input. As a result of the various meetings, staff has prepared any changes directed by the City Council and incorporated such changes into the budget resolutions presented to the City Council and Boards for approval this

evening.

Salary Schedules Effective July 1, 2021

All agencies that are members of CalPERS are required to ensure that pay schedules are publicly adopted and available as prescribed by the California Code of Regulations, Title 2, §570.5 and §571 (b). "Publicly available" is defined as posted at the employer's office or immediately accessible and available for public review. Placing the adopted pay schedules on the employer's internet website meets this requirement. The attached resolutions for Miscellaneous and Safety employees reflect all required changes to the salary schedule per the budget being adopted for FY 2021/2022.
