RECOMMENDATION

Staff recommends that the Disabilities Awareness Committee (DAC) take any or all of the following actions, if desired: (1) approve recommendations, if any, from the members of the Ad Hoc Subcommittees; (2) form new and/or dissolve existing Ad Hoc Subcommittee(s); and, (3) appoint two Commissioners to the newly-formed Ad Hoc Subcommittee(s).

BACKGROUND/DISCUSSION

Staff has prepared this report as a standing Agenda Item to give the Disabilities Advisory Committee Members an opportunity to hear and approve recommendations from the members of their Ad Hoc Subcommittees. The current list of DAC Ad Hoc Subcommittees, their members, and the description of their respective topic areas, is provided as an Attachment.

The Role of Ad Hoc Subcommittees

An “ad hoc” subcommittee serves only a limited or single purpose. It is not perpetual, and it is

dissolved when its specific task is completed. An Ad Hoc Subcommittee may be formed or dissolved at any noticed meeting, as long as the discussion has been placed on the agenda in advance. Once an Ad Hoc Subcommittee has been created, its role is to make recommendations to the associated Commission, Board or Committee (CBC) related to its topic area only. By consensus of the CBC, a separate agenda item is sometimes prepared and presented on a specific Ad Hoc Subcommittee subject matter.

FISCAL IMPACT

There is no fiscal impact associated with this discussion.
