RECOMMENDATION

Staff recommends that the Parks, Recreation and Community Services Commission discuss the Commission's initial recommendations to the City Council for the Fiscal Year 2018/2019 PRCS Department Budget.

BACKGROUND

Beginning in Fiscal Year 2014/2015, the City Council instituted an enhanced budget process. This process provides additional opportunities for the public to provide input into the budget document. Further, the City Council now specifically invites members of the City's Commissions, Committees, and Boards to provide comments during the City's budget process.

As part of last year's budget process, at the January 10, 2017 PRCS Commission Special Meeting the PRCS Department's Fiscal Year 2016/2017 Adopted Budget was reviewed by the Commission; the discussion was opened for public comment (there were no comments); and, potential topics for the PRCS Commission's Fiscal Year 2017/2018 budget recommendations to the City Council were discussed. Vice Chair Stuart agreed to craft the first draft of the correspondence for the Commission. At the March 7, 2017 Joint City Council / PRCS meeting, the members of the Commission had the unique opportunity to discuss the first draft of their budget recommendations for the Fiscal Year 2017/2018 PRCS Department budget with the City Council.

PRCS Department staff gave the final Fiscal Year 2017/2018 Budget Presentation to the City Council at the June 5, 2017 City Council Special Meeting. At the June 26, 2017 City Council meeting, the City Council adopted the Fiscal Year 2017/2018 Budget. Several of the Commission's budget recommendations were approved by the City Council and incorporated into the Department's Adopted Budget, including staffing, program-related and capital improvement project requests.
