## RECOMMENDATION

Staff recommends the City Council receive presentations on current Fiscal Year 2017/2018 and proposed Fiscal Year 2018/2019 Work Plans from all City departments, and provide direction to the City Manager as deemed appropriate.

## **BACKGROUND/DISCUSSION**

As part of the expanded budget process, presentations of current and future work plans will be made by each department prior to the development of the City Manager's Proposed Budget for Fiscal Year 2018/2019. Each department will make a brief presentation of their current Fiscal Year 2017/2018 Work Plans and their status, as well as proposed Work Plans for the coming Fiscal Year 2018/2019. The City Council will have the opportunity to take any public input, ask questions and provide suggestions or direction. This input will allow the City Manager and department heads the opportunity to address such suggestions or direction during the budget preparation period.

The tentative order of presentations shall be:

Police Department  
Fire Department  
Transportation Department  
Information Technology Department  
Finance Department  
City Attorney's Office  
Public Works Department  
Parks, Recreation and Community Services Department  
Community Development Department  
Administrative Services Department  
City Manager's Office

Departments that submitted written updates by the agenda deadline are attached to this report. Remaining departments will provide copies at the meeting.
