### BACKGROUND/DISCUSSION:

Staff revised locations of the proposed Metro Bikeshare station locations based on feedback of the BPAC members during the February 19, 2020 meeting. Locations table and maps are attached.

During the Council meeting on June 8, 2020, Council directed staff to review the feasibility and costs of deploying electric bicycles rather than smart bicycles. Staff requested the information from Metro and will share during the meeting the pros and cons, as well as costs of the Smart Bikes versus E-Bikes.
